Morris L. Fleagle, 68, Harrisburg, for many years a Reading Railroad conductor and a former resident of Gettysburg, was killed this morning about 6 o'clock at Bowmansdale.

Mr. Fleagle, who was conductor for the last Reading passenger train into Gettysburg in 1947, had been a freight conductor in recent years. He lived in the Winemar building in Lincoln Square for a number of years, moving to Harrisburg about five years ago.

Mr. Fleagle died of a crushed chest and puncture wounds of the abdomen when he was caught between a car and a steel cable connecting a diesel locomotive and a freight car, according to E. A. Haegele, Cumberland County coroner.

Haegele said Mervin U. Bream, Gettysburg, was the engineer for the diesel which was reported pulling a stalled freight car with the cable. The car, which was on a siding along the main track, was being moved into a position where the locomotive could get back of it. The car had been shunted along the siding but had stalled and had to be towed by cable. It was that cable which squeezed Mr. Fleagle against a freight car. The accident occurred near the Bowmansdale station.

Mr. Fleagle lived at 920 S. 21st St., Harrisburg. The only survivors are a daughter-in-law and two grandchildren. Mrs. Fleagle died suddenly of a heart attack about three years ago and four years before that his only son also died of a heart attack at the age of 30 years.

## SALE SHOTS TUESDAY

The weekly state clinic for the administration of free shots of Salk vaccine will be held Tuesday evening at the Warner Hospital from 5:30 to 7 p.m. Both first and second shots will be given. Children who got their first shot on July 17 should report for their second shot this week, the state nurse said.

## LOCAL COUPLE'S SON KILLED IN TRACK ACCIDENT

Ivan I. Breighner Jr., 24, son of Mr. and Mrs. Ivan I. Breighner, 12 Seminary Ave., was fatally injured Saturday night when his car went out of control on the Old Dominion Speedway, Manassas, Va., and turned over.

Breighner, a resident of 2112 N. Oakland St., Arlington, Va., was on the fourth lap of a 25-lap sportsman stock car race when he apparently lost control of the car.

Reports from the track say that the car was traveling along the outside strip of the track when it turned and smashed through the fence. The car flipped over and Breighner was crushed in the seat.

He was removed by attendants and the track's ambulance and rushed to the Manassas Medical Center where he was pronounced dead on arrival.

## Services Here Tuesday

He is employed by the Rosslyn Auto Body Co. and was a veteran of armed force service.

Surviving are his wife, Mrs. Margaret Breighner; two children, Karen Lynne and Sharon Lee Breighner, all at home. Also surviving are his parents, a brother, Ray Kenneth Breighner, and a sister, Mrs. Patsy Ann Peter, all of Gettysburg.

Funeral services Tuesday at 11:30 o'clock at the Ives Funeral Home, Arlington, Va., followed by further services at the Peters Funeral Home here. Interment will be in Evergreen Cemetery.

## In Army Four Years

The services at the Peters Funeral Home, Carlisle St., will be held Wednesday morning at 11 o'clock.

## Square Dance To Be Held Wednesday

The Recreation Field Square dance originally scheduled to be held Friday will be held Wednesday evening from 8:30 to 11 o'clock. Recreation Director Chester Huger announced today.

Fred Crouse will serve as caller for the dance to be held on the basketball court at the Recreation Field. Members of the Senior Extension Club will participate in the dance and will serve as instructors for youths and adults wishing to learn the folk dances and square dances.

At the first square dance a week ago most of those present were teen agers. Director Huger today urged "the oldsters to turn out and show the youngsters how they danced in their youth."

## 1,000 See Antique Show Over Weekend

Approximately 1,000 attended the Gettysburg Antique Show held Friday, Saturday and Sunday at the Hotel Gettysburg pressroom by the Gettysburg Junior Chamber of Commerce. The show was termed a "success" by Chairman John V. Crow.

A wagon seat bench was awarded to Mrs. Lou Bush, Chambersburg. An award was given Saturday to Mrs. Greb Shippensburg, and Sunday to Edwin Selig, Baltimore.

## Sesqui Committee To Meet Tuesday

Representatives of all organizations in the community are asked to attend a meeting of the Gettysburg Sesquicentennial committee Tuesday evening at 8 o'clock at the engine house, E. Middle St. Burgess William G. Weaver, chairman of the sesqui committee, said final arrangements are to be made for the schedule of events during the sesqui and at least preliminary casting for the pageant will take place.

## GARDNERS GIRL JUDGED PEACH DESSERT QUEEN

Despite some criticism from the judges for her choice of decorations, Dorothy Anthony, 15, Gardners R. 2, was named the Adams County Peach Dessert Queen Saturday afternoon at Biglerville.

The daughter of Mr. and Mrs. Paul Dennis, Gardners R. 2, entered a peach upside down cake in the event in which she competed with eight other girls from throughout the county.

She chose petunias as decorations about the cake. The judges suggested that possibly a peach leaf or two might make a more appropriate decoration.

Miss Anthony will represent the county at the state Peach Dessert Queen contest at York next Saturday morning. At that event the county queens will make their entries in the contest. At the county event the contestants baked their peach desserts at home and then showed the finished product to the judges.

Second place in the county contest went to Donna Slaybaugh, Aspers R. 1, while the third place winner was Carol Jean Blackwell, Aspers R. 1. The girls entered upside down cakes, pies, a peach nut delight and a peach adama in the event.

Judges were Robert Thompson, of "Bob's Diner"; Eva Jane Schwartz, Gettysburg home economics teacher, and Mrs. Mary Diehl, Biglerville home economics teacher. Mrs. Frederick E. Griest was chairman of the committee in charge. Others on the committee include Mrs. Roy Tate, Mrs. Clay Snyder, Mrs. Martha Lower and Miss Florence Finger, county extension home economist.

## Burns Meat; Firemen Called On Saturday

Russell Lemaster, who resides in a small house to the rear of the Roy E. Goldsmith roofing establishment on W. High St., burned his meat and had an unexpected visit by the Gettysburg Fire Department last Saturday night.

Lemaster was frying some meat for a late repast when it burned and his small home filled with smoke. He opened a door to let the smoke out and a passerby, seeing the smoke pouring out of the frame structure, called the firemen.

The firemen, arriving, found no fire — nor anything to eat. The meat was too charred to be edible.

## W. E. GENTZLER COLLEGE GRAD, V.P. OF N.Y. BANK

W. Emerson Gentzler, assistant provost of Columbia University, has been named executive vice president of the Empire City Savings Bank, it was announced Sunday by Charles Diehl, president of the bank.

Mr. Gentzler has been a member of the Board of Trustees of the bank since January 10, 1938, and has served on various committees of the board. He is currently chairman of the Examining Committee and has served on this committee for over ten years. Mr. Gentzler will assume his new duties on November 1, leaving his Columbia post on October 31.

As assistant provost at Columbia, Mr. Gentzler has served as a principal assistant to President Grayson Kirk and Dr. John A. Krout, vice president and provost. Associated with the university for the last 30 years, Mr. Gentzler was named assistant provost and director for students' interest in 1950.

A native of York, where he attended York County Academy, the educator is a graduate of Gettysburg College, Class of 1925. He received his master's degree at Columbia in 1927. He was born in York on July 3, 1903.

Following graduation from Gettysburg College, Mr. Gentzler was named a teacher of Mathematics and assistant coach of athletics at Vermont Academy, Saxtons River, Vermont, in 1925.

A year later, in 1926, he entered Columbia as a graduate student in mathematics and at the same time

## WARNS AGAINST CASHING CHECKS

Chief of Police Jack Bartlett today asked merchants and clerks who may be asked to cash checks by persons unknown to them to call the police at once, and to carefully note the person seeking to have the check cashed and a car license that might be observed.

Calling attention to several "bad checks" that have been passed in local stores recently, the chief asked the cooperation of the merchants in order to more readily apprehend the "rubber check artists."

Bartlett asked clerks and merchants who are asked to cash checks by strangers to notify the police immediately. If the person leaves before police arrive, a check should be made to see if he enters a car, and the license number should be obtained.

Many strangers are honest and the police will not seek to make an arrest. But if called they will have details in case the check "bounces."

## Miss Cherrington Is Buried On Saturday

Funeral services for Miss Anna Marion Cherrington, 32, instructor in home economics at St. Joseph's College, Emmitsburg, were held Saturday morning at Port Allegan, Pa. Miss Cherrington, who died Wednesday had been ill for the last few months and had been hospitalized recently in Olean, N. Y.

She had been a member of the St. Joseph College faculty since 1953, having taught prior to this appointment at Otto Junior-Senior High School, Duke Center, Pa.

## 2 PATIENTS ARE TRANSFERRED TO HOSPITAL WING

The new north wing of the Annie M. Warner Hospital was officially opened this morning at 9:20 o'clock with the transfer of the first two patients Mrs. Bessie V. Lutz, 454 W. Middle St., and J. Paul Seltzer, a Gettysburg Theological Seminary student, into the new facilities.

Nurse Dorothy Martin wheeled Mrs. Lutz on a tour of the rooms and the solarium before she made a choice of the pink room as the most desirable and settled down there to continue her hospital treatment. Nurse Josephine Delp was in charge of Seltzer's inspection. Seltzer chose the green room.

Following the inspection the patients were interviewed by P. H. Cunningham of WGET. Mrs. Seltzer, immobilized with a hip injury, said the new \$210,000 wing was "wonderful. Certainly there could not be anything more beautiful. All the colors are very pretty and it makes it very hard to choose. And the solarium is really something. Why you can see all around town."

Seltzer More Restrained  
Seltzer's remarks were more restrained but he also commented on the "vast improvement of the new unit over the old facilities in every way." The young seminary student, a native of Silver Spring, Md., is currently working during the summer at Camp Nawakwa. He was hospitalized for minor surgery on Saturday.

During the interview Walter B. Dillon, hospital administrator, expressed his satisfaction at "closing down the old wards which have been in use for more than 35 years. The modern, new units are certainly a far cry from the days when the hospital was started and we are hopeful that we can get to work on the second wing just as soon as the money is available."

Dillon said that 12 patients would be transferred from the old wards to the new 4-bed units by noon today. He also stated that there would probably be new admissions during the day.

Commenting on Sunday's dedication and open house, Dillon said that the reactions of the more than 1,400 people who visited the hospital were very laudatory. One visitor exclaimed that "the new wing looks more like a resort hotel than a hospital." Another visitor who had paid a substantial pledge in the hospital drive renewed his pledge in a like amount. Dillon also received a check for \$50 from a third visitor.

The 8 units in the new wing are sponsored as follows: green room, Mr. and Mrs. Philip M. Jones; yellow, McDermitt Brothers; blue, John S. Teeter and Sons; honey dew, Mr. and Mrs. Max Cease, in memory of Gertrude Cease; peach, Woman's Club of Gettysburg; petunia, Citizen's Oil Company, in memory of Mr. and Mrs. William P. Codori and family; old rose, Mr. and Mrs. Edmund W. Thomas; and pink, Zi Alpha Chi Chapter of Beta Sigma Phi Sorority.

Sponsors purchase drapes and other extra furnishings beyond the necessary hospital pieces.

## WOMAN, 59, IS KICKED BY COW

A number of persons were treated at the Warner Hospital over the weekend for injuries.

Emma Nevins, 59, Taneytown R. 1, was treated Saturday for fractures of the eighth and ninth ribs on the left side when she was kicked by a cow.

Gary Keefe, 17, Littlestown R. 1, was treated for abrasions of the right forehead, lacerations of the left side of the head, abrasions of the right thigh and right knee, and contusions of the left foot and knee. The hospital reported he was thrown from a car. No other details were available.

Emma Murray, 67, Gettysburg R. 2, suffered a sprained back and multiple lacerations of the face Sunday when a car in which she was an occupant struck a tree.

John Samuel Brecker Jr., aged 4, son of Mr. and Mrs. J. S. Brecker, Taneytown, suffered lacerations of the forearm and right elbow Saturday when he fell against a storm door.

Jane Coen, 48, Washington, D. C., Saturday was treated for lacerations to her right index finger suffered when it was caught in a car door.

Sarah Frances Brumbach, 5, daughter of Mr. and Mrs. Kenneth Brumbach, 127 S. Washington St., suffered a laceration of her right fingers when her hand was caught in a lawn mower Saturday.

Loetta Bromwell, 3, daughter of Mr. and Mrs. George Bromwell, York Springs R. 1, was treated for a laceration of the thumb Sunday.

Carl Clinton, 25, Aspers R. D., was treated Sunday for a laceration of the left arm suffered in a fall.

## Stevenson Pushes Drive For Democratic Nomination Even Without Support Of Truman Truman

By JACK BELL

CHICAGO (AP)—Adlai E. Stevenson stood off two waves of challenges to maintain a front-running pace toward the Democratic presidential nomination in the party's national convention opening today.

A bang of the gavel by National Chairman Paul M. Butler officially opens the 32nd nominating meeting in a haze of conflicting claims by candidates, North-South disagreement over civil rights and some unspoken doubts about the party's chances in November.

The schedule of the convention included a keynote address to-night by Gov. Frank G. Clement of Kentucky.

But the fanfare of the first official sessions in the International Amphitheater in Chicago's stockyards could hardly compete in interest with the downtown tug-of-war for the 686½ votes needed to nominate a presidential candidate in balloting to begin Thursday.

Dogged By "Sons"

There Stevenson vied against a combination of New York Gov. Averell Harriman and former President Harry S. Truman for the support of unpledged state delegations.

Dogging Stevenson's heels also was a group of "favorite son" candidates captured primarily by Sen. Lyndon B. Johnson of Texas, the Senate's majority leader.

The Harriman-Truman combination and the favorite son group had one objective in common—to cut down Stevenson's lead for the nomination to the point where there would be a series of convention ballots. Stevenson's backers have based their victory hopes primarily on a quick decision.

Make Some Gains

His opponents made minor progress here and there. But there was no sign they had lessened materially the long lead Stevenson built up early in the race or had eased the impetus given him by the withdrawal of Sen. Estes Kefauver of Tennessee.

Out of a confusion of state delegations caucuses there emerged this general picture:

Stevenson forged above the 500-vote mark in first-ballot strength in the Associated Press poll of delegates willing to state a public preference.

Latest figures showed Stevenson with 558 votes to 213 for Harriman, 277 scattered among favorite sons and others and 343 still uncommitted and unwilling to state a preference.

(Continued on Page 3)

By ERNEST B. VACCARO

CHICAGO (AP)—Harry S. Truman pulled out all the tricks in his well-thumbed political book today in a bare-knuckle fight to wrest the 1956 Democratic presidential nomination from Adlai Stevenson.

The former President set up another all-day schedule for seeing delegates, directing his lieutenants and figuring out new maneuvers in his campaign for Gov. Averell Harriman of New York.

As one old friend, a backer of Stevenson, described it:

"I've never seen the old man work as hard at anything as he's working on this."

There were no outward signs to indicate that Truman had led anyone to switch his vote thus far, but Truman's team of four political pros contended some previously uncommitted delegates were lining up for Harriman.

Hopes To Stop Stevenson

Truman is concentrating at this point on trying to prevent a first-ballot nomination of Stevenson on the theory that the front-running former Illinois governor will lose ground on later ballots and Harriman will begin gaining in strength.

His team includes Frank McKenney and William M. (Bill) Boyie Jr., former national chairman; Edwin G. Pauley, California oil executive; and Donald Dawson, former administrative assistant to Truman in the White House.

They are working among state chairmen. But it is primarily a one-man show, managed by the 72-year-old man from Missouri.

He did take time out from his campaign to have lunch in a public coffee shop with Mrs. Franklin D. Roosevelt, a Stevenson supporter.

Mention Deadlock

The Truman camp denied that the former President was really working toward a Stevenson-Harriman deadlock when would dark horse Mrs. Roosevelt suggested that possibility at a news conference, mentioning Sen. Stuart Symington, Missouri's favorite son, as a possible beneficiary.

Truman spent over two hours last night in a conference with Speaker of the House Sam Rayburn of Texas, and the two men permanently agreed on the Lyndon B. Johnson, Texas, favorite son candidate.

The new \$210,000 north wing addition to the Warner Hospital was dedicated Sunday afternoon to the memory of the 24 original directors of the hospital.

At the same time there were pledges that the second new wing planned for the hospital's development will be completed within the next few years.

Henry M. Scharf, secretary of the board of directors of the hospital and its finance chairman, cut the ribbon opening the new wing during the Sunday afternoon ceremony and dedicated the new wing to the first directors.

Thomas Presides

He listed them as Dr. J. A. Singmaster, Rev. Fr. William F. Boyle, H. T. Weaver, Charles H. Smith, Edward M. Bender, Attorney John D. Keith, Attorney William Arch McGeehan, all of Gettysburg; George W. Baker, Abbottstown; Charles E. Raffensperger, Arendtsville; Dennis C. Asper, Aspers; A. B. Gochnaur, Bendersville; S. G. Bigham, Biglerville; George W. Schwartz, Cash-town; Millard P. Stoner, Fairfield; Chester J. Tyson, Flora Dale; Daniel C. Jacobs, Franklin Twp.; Chester O. Chronister, Hampton; J. E. Zimmerman, Liberty Twp.; Elmer D. Buckley, Littlestown; F. V. Topper, McSherrystown; Frank A. Waybright, Mt. Joy Twp.; Elmer C. Livingston, New Oxford; W. R. Starry, York Springs, and D. E. Brandt, East Berlin.

Edmund W. Thomas, president of the First National Bank of Gettysburg and vice president of the hospital board of directors, presided at the program held in the corridor of the new wing, with about 200, including some ambulatory patients at the hospital, present for the event.

Approximately 1,500 visited the hospital during the two-day "open house" Saturday and Sunday in connection with the opening of the new wing. The first patients were moved to the wing this morning.

Praise For Dillon

Thomas in his opening remarks expressed the appreciation of the hospital board to all who have helped to make the wing possible, to the medical and other staffs at the hospital and for "the wonderful job Walter Dillon (administrator of the hospital) is doing."

"Today," he added, "we are not only dedicating this new addition, but I feel that every department of this hospital is dedicating itself anew to care for the sick and suffering."

Attorney Donald M. Swope, president of the Adams County Bar Association, said: "My job is to represent the people of the area served by the Warner Hospital. You whose gifts, large or small, made possible this new wing may be proud, and we who will use its facilities may be gratified that you have given us these facilities. Today marks the partial fulfillment of needs. This north wing will not enlarge the present patient capacity. It is designed to materially improve the services the hospital can render."

"Most Modern Equipment"

"The immediate needs dictate enlarging the hospital in accordance with existing plans to be able to care for more patients. For us to withdraw from you our support of the building program at this time would only deprive ourselves and our families. With this realization we pledge our continued financial assistance to fulfill the building needs of our hospital."

Dr. Leonard L. Potter, president of the medical staff, said: "I am very proud to be here today. In the new wing we have the most modern equipment for patient care. In the last decade we have found that patients recover most quickly when made ambulatory as soon as possible. As an example of the facilities we have in this new wing, we have new beds which will make possible easier beginnings of this basic care."

The president of the auxiliary of the Warner Hospital, Mrs. John D. Teeter, told the group: "The auxiliary is but a minute part of the hospital, but we like to think of ourselves as one of the small wheels, helping the machinery to turn. We are proud that we have had a part in the development of the hospital and we will continue in the same devoted line of work."

Rededicating Selves

Mr. Scharf said: "We are dedicating a wing to a hospital made possible by thousands of people who gave approximately \$250,000. Some of us recall the day when we had to go to Chambersburg or York to go to a hospital. Then, 40 years ago, the people of this area dreamed that a hospital might be built, and they have given since, almost three-quarters of a million dollars over the years. This hospital is a tribute to the people for it is unsubsidized. It is something the people are doing and have done for themselves."

It is also a measure of the progress of Adams County and the advancement of hospital care we can get a measure of the growth of the population of our area. From the new equipment and new techniques that have been added to this hospital over the years we can get a measure of the advancement of medicine.

This new wing is but a first. (Continued on Page 3)

## WARNS AGAINST CASHING CHECKS

Chief of Police Jack Bartlett today asked merchants and clerks who may be asked to cash checks by persons unknown to them to call the police at once, and to carefully note the person seeking to have the check cashed and a car license that might be observed.

Calling attention to several "bad checks" that have been passed in local stores recently, the chief asked the cooperation of the merchants in order to more readily apprehend the "rubber check artists."

Bartlett asked clerks and merchants who are asked to cash checks by strangers to notify the police immediately. If the person leaves before police arrive, a check should be made to see if he enters a car, and the license number should be obtained.

Many strangers are honest and the police will not seek to make an arrest. But if called they will have details in case the check "bounces."

## Dedicate New Warner Hospital Wing Sunday Afternoon; 1,500 Visit During "Open House"

### Scharf Opens New Wing

Henry M. Scharf, chairman of the finance committee of the Annie M. Warner Hospital board of directors, is shown cutting the ribbon officially opening the new hospital wing Sunday afternoon. An open house followed the ceremony.

The new \$210,000 north wing addition to the Warner Hospital was dedicated Sunday afternoon to the memory of the 24 original directors of the hospital.

At the same time there were pledges that the second new wing planned for the hospital's development will be completed within the next few years.

Henry M. Scharf, secretary of the board of directors of the hospital and its finance chairman, cut the ribbon opening the new wing during the Sunday afternoon ceremony and dedicated the new wing to the first directors.

He listed them as Dr. J. A. Singmaster, Rev. Fr. William F. Boyle, H. T. Weaver, Charles H. Smith, Edward M. Bender, Attorney John D. Keith, Attorney William Arch McClean, all of Gettysburg; George W. Baker, Abbottstown; Charles E. Raffensperger, Arendtsville; Dennis C. Asper, Aspers; A. B. Gochnaur, Benderville; S. G. Bigham, Biglerville; George W. Schwartz, Cash-town; Millard F. Stoner, Fairfield; Chester J. Tyson, Flora Dale; Daniel C. Jacobs, Franklin Twp.; Chester O. Chronister, Hampton; J. E. Zimmerman, Liberty Twp.; Elmer D. Buckey, Littlestown; F. V. Topper, McSherrytown; Frank A. Waybright, Mt. Joy Twp.; Elmer C. Livingston, New Oxford; W. R. Starry, York Springs, and D. E. Brandt, East Berlin.

Edmund W. Thomas, president of the First National Bank of Gettysburg and vice president of the hospital board of directors, presided at the program held in the corridor of the new wing, with about 200, including some ambulatory patients at the hospital, present for the event.

Approximately 1,500 visited the hospital during the two-day "open house" Saturday and Sunday in connection with the opening of the new wing. The first patients were moved to the wing this morning.

Praise For Dillon

Thomas in his opening remarks expressed the appreciation of the hospital board to all who have helped to make the wing possible, to the medical and other staffs at the hospital and for "the wonderful job" Walter Dillon (administrator of the hospital) is doing.

"Today," he added, "we are not only dedicating this new addition, but I feel that every department of this hospital is dedicating itself anew to care for the sick and suffering."

Attorney Donald M. Swope, president of the Adams County Bar Association, said: "My job is to represent the people of the area served by the Warner Hospital. You whose gifts, large or small, made possible this new wing may be proud, and we who will use its facilities may be gratified that you have given us these facilities. Today marks the partial fulfillment of needs. This north wing will not enlarge the present patient capacity. It is designed to materially improve the services the hospital can render."

"Most Modern Equipment"

"The immediate needs dictate enlarging the hospital in accordance with existing plans to be able to care for more patients. For us to withdraw from our support of the building program at this time would only deprive ourselves and our families. With this realization we pledge our continued financial assistance to fulfill the building needs of our hospital."

Dr. Leonard L. Potter, president of the medical staff, said: "I am very proud to be here today. In the new wing we have the most modern equipment for patient care. In the last decade we have found that patients recover most quickly when made ambulatory as soon as possible. As an example of the facilities we have in this new wing, we have new beds which will make possible easier beginnings of this basic care."

The president of the auxiliary of the Warner Hospital, Mrs. John D. Teeter, told the group: "The auxiliary is but a minute part of the hospital, but we like to think of ourselves as one of the small wheels, helping the machinery to turn. We are proud that we have had a part in the development of the hospital and we will continue in the same devoted line of work."

Reducing Selves

Mr. Scharf said: "We are dedicating a wing to a hospital made possible by thousands of people who gave approximately \$250,000. Some of us recall the day when we had to go to Chambersburg or York to go to a hospital. Then, 40 years ago, the people of this area donated that a hospital might be built, and they have given since, almost three-quarters of a million dollars over the years. This hospital is a tribute to the people for it is unsubsidized. It is something the people are doing and have done for themselves. It is also a measure of the progress of Adams County and the advancement of science. From the growth of hospital care we can get a measure of the growth of the population of our area. From the new equipment and new techniques that have been added to this hospital over the years we can get a measure of the advancement of medicine."

## Stevenson Pushes Drive For Democratic Nomination Even Without Support Of Truman

### By JACK BELL

CHICAGO (AP)—Adlai E. Stevenson stood off two waves of challenges to maintain a front-running pace toward the Democratic presidential nomination in the party's national convention opening today.

A bang of the gavel by National Chairman Paul M. Butler official opens the 32nd nominating meeting in a haze of conflicting claims by candidates, North-South disagreement over civil rights and some unspoken doubts about the party's chances in November.

The schedule of the convention included a keynote address tonight by Gov. Frank G. Clement of Kentucky.

But the fanfare of the first official sessions in the International Amphitheater in Chicago's stockyards could hardly compete in interest with the downtown tug-of-war for the 68½ votes needed to nominate a presidential candidate in balloting to begin Thursday.

### Dogged By "Sons"

There Stevenson vied against a combination of New York Gov. Averell Harriman and former President Harry S. Truman for the support of unpledged state delegations.

Dogging Stevenson's heels also was a group of "favorite sons" candidates captained primarily by Sen. Lyndon B. Johnson of Texas, the Senate's majority leader.

The Harriman-Truman combination and the favorite son group had one objective in common—to cut down Stevenson's lead for the nomination to the point where there would be a series of convention ballots. Stevenson's backers have based their victory hopes primarily on a quick decision.

### Make Some Gains

His opponents made minor progress here and there. But there was no sign they had lessened materially the long lead Stevenson built up early in the race or had offset the impetus given him by the withdrawal of Sen. Estes Kefauver of Tennessee.

Out of a confusion of state delegation caucuses there emerged this general picture: Stevenson forged about the 500-vote mark in first-ballot strength in the Associated Press poll of delegates willing to state a public preference.

Latest figures showed Stevenson with 538 votes to 213 for Harriman, 27½ scattered among favorite sons and others and 343½ still uncommitted and unwilling to state a preference.

### By ERNEST B. VACCARO

CHICAGO (AP)—Harry S. Truman pulled out all the tricks in his well-thumbed political book today in a bare-knuckle fight to wrest the 1956 Democratic presidential nomination from Adlai Stevenson.

The former President set up another all-day schedule for seeing delegates, directing his lieutenants in his campaign for Gov. Averell Harriman of New York.

As one old friend, a backer of Stevenson, described it: "I've never seen the old man work as hard at anything as he's working on this."

There were no outward signs to indicate that Truman had led anyone to switch his vote thus far, but Truman's team of four political pros contended some previously uncommitted delegates were lining up for Harriman.

### Hopes To Stop Stevenson

Truman is concentrating at this point on trying to prevent a first-ballot nomination of Stevenson on the theory that the front-running former Illinois governor will lose ground on later ballots and Harriman will begin gaining in strength.

His team includes Frank McKinney and William M. (Bill) Boyle Jr., former national chairman; Edwin G. Pauley, California oil executive; and Donald Dawson, former administrative assistant to Truman in the White House.

They are working among state chairmen. But it is primarily a one-man show, managed by the 72-year-old man from Missouri.

He did take time out from his campaign to have lunch in a public coffee shop with Mrs. Franklin D. Roosevelt, a Stevenson supporter.

### Mention Deadlock

The Truman camp denied that the former President was really working toward a Stevenson-Harriman deadlock which would dark horse Mrs. Roosevelt suggested that possibility at a news conference, mentioning Sen. Stuart Symington, Missouri's favorite son, as a possible beneficiary.

Truman spent over two hours last night in a conference with Speaker of the House Sam Rayburn of Texas, the convention's permanent chairman, and Sen. Lyndon B. Johnson, Texas' favorite son candidate.

## BIRTHS DROP IN THIS AREA

The number of births in the Gettysburg district continued to decline over last year's records during July.

According to the report of the registrar of vital statistics for the Gettysburg and Cumberland, Straban, Franklin and Highland Twp. districts, there were 80 births in the area during July. All of the births, 45 males and 35 females, occurred in Gettysburg. The number compares to 92 during July a year ago.

During the first seven months of this year there have been 500 births in the district compared to 613 for the same period last year.

There were 22 deaths in the district in July, compared to 21 in July 1955. So far this year there have been 137 deaths. During the comparable period a year ago there were 134 deaths.

The deaths last month include 16, six males and ten females, in Gettysburg, a male and a female in Cumberland Twp., two males in Straban Twp. and a male and a female in Franklin Twp. There were no deaths in Highland Twp.

## Two Trucks Hit Shed; \$800 Damage

Two trucks and the Bethlehem quarries scales shed figured in a collision this morning at 9 o'clock with damage totalling \$800 and the only injury listed was a bruised nose for one of the drivers.

State police said Curvin R. Miller, 64, Hanover, was headed south, planning to turn into the quarry at the scale house, Richard S. Bosler, Williamsport R. D., driving a tractor trailer south, toward Hanover on the Cross Keys Rd., sought to pass Miller as Miller started his turn.

Miller suffered the bruised nose. Damage to the Miller truck was \$200; to the Bosler tractor-trailer, \$400, and to the scales shed, where the two trucks finally halted, \$200.

## Shiloh Film Is Shown On Sunday

The story of the Battle of Shiloh, April 6 and 7, 1862, was screened Sunday evening at the weekly campfire program held by the National Park Service on E. Cemetery Hill. Dr. Frederick Tilberg introduced Ira Lykes, of the National Park Service, who spoke on the battle and showed a motion picture he had made in which the Shiloh events were recreated by National Guard units.

At the conclusion of the film he answered questions posed by the 125 present. Next Sunday the campfire program will present the most recent film made of Pennsylvania, entitled "Pennsylvania, Land of Decision."

## Dr. Granville Schultz Has Heart Attack

Dr. Granville R. Schultz, 39, Baltimore St. dentist, suffered a heart attack Saturday evening about 6 o'clock. His condition was reported at the Warner Hospital at noon today as satisfactory.

The local dentist had gone to the home of a friend, James Hafer, Biglerville Rd., and their families were swimming in the pool there. Dr. Schultz suffered the attack while in the water. He quickly got out of the water and a physician was called.

## Truman

(Continued from Page 1)

meeting with the ex-President at his hotel suite, Rayburn and Johnson insisted they talked mostly about keeping the party united.

"There's not going to be any row," Rayburn said, "and we are going to wind up this convention as Democrats, as united as ever."

They said Truman had not asked their support for Harriman, and that "individuals were not discussed."

Truman's lieutenants were reported to be doing all they could to persuade "favorite sons" to hold on to their delegations for the early ballots, and trying to encourage others in the South to support Johnson. The idea is to keep as many delegates as possible away from Stevenson in hopes that Harriman will quickly pick up steam.

They were concentrating too on efforts to get pledges for Harriman votes if Stevenson misses nomination on an early ballot.

"There are many delegates now committed to Stevenson who say Harriman is their second choice," McKinney told a reporter.

It was difficult to measure the progress in the absence of public declarations, but no one questioned that Truman was enjoying every bit of it.

"We are going to have fun at this convention," Gov. Orval Faubus of Arkansas quoted him as saying. "It wouldn't be a good convention unless we did."

### GERMAN TO BE EAGLE GUEST TUESDAY NIGHT

An international guest will visit the Fraternal Order of Eagles, Littlestown Aerie No. 2226, at the weekly meeting of the Aerie on Thursday, 8 p.m., at the FOE Home, W. King St. Dietrich Sauer, West Berlin, German, a student at Eaglehaus, the vocational youth training school at West Berlin, established by the FOE, will speak to the local Eagles. He will exhibit a set of color slides on Berlin and Eaglehaus at the program arranged by the Littlestown Aerie.

Dietrich is one of more than 300 West Berlin youngsters who have been given an opportunity by the Eagles to become master craftsmen in a democratic environment, to counteract communist propaganda aimed at German youth and to demonstrate how democratic training leads to a full and happy life. Eaglehaus was set up by the FOE in 1953 with the cooperation of the West Berlin government and the world relief agency, CARE. Aeries in the United States, including the local one, make available training kits for the Eaglehaus students through CARE West Berlin office. The principle craft taught is carpentry, and the curricula includes lectures, practical work in shops, and such general courses as current events, history, modern art and grammar.

This project started as a result of a friendship which developed between Judge Robert W. Hansen, Milwaukee, Wis., past grand worthy president of the Eagles, and the late Ernest Reuter, mayor of West Berlin, during the latter's visit to the United States. It was conceived as a project to further the friendship of the United States with the new democratic Germany and to foster the common ideals of the two nations.

### Guest Soloist

batteries. A large crowd was on the carnival grounds, and entertainment was provided by Tex Daniels and His Lazy-H Ranch Gang.

### Banns Published

The Rev. Fr. William A. Boyle announced at the Sunday morning masses in St. Aloysius Catholic Church that the men of the congregation are asked to go to the parochial school this evening, and each evening this week, until the painting and other renovations of the school are complete.

Confessions will be heard on Tuesday from 4 to 4:45 and 7 to 7:45 p.m., in preparation for Wednesday, the Feast of the Assumption of the Blessed Virgin Mary and a holy day of obligation. There is a dispensation of the law covering fast and abstinence tomorrow, the vigil of the Feast, granted by the Holy Father. Masses on Wednesday will begin at 5:30 and 8 a.m. Daily mass the remainder of the week will be at 7:30 a.m.

At the late mass on Sunday, banns of matrimony were published for the first time between Anthony Carbaugh, of St. Mary's of the Immaculate Conception Parish, New Oxford, and Patricia Bevenour, daughter of Mr. and Mrs. Robert Bevenour, of the congregation.

The weekly Saturday night public parties will be resumed this week, after the past week's omission, due to the firemen's carnival. Miss Mary Rita Redding and Mrs. Donald Harner are co-chairmen of the refreshment committee for August 18th.

## BETSY HEADS FOR BAHAMAS

MIAMI, Fla. (AP)—Hurricane Betsy, with 125 m.p.h. winds, whirled across Turks Island today and continued on a northwest path that would send it ripping through the Bahamas.

Bowling along at 20 m.p.h., the second tropical storm of the season still was 650 miles from Florida and the Weather Bureau would make no predictions as to whether it would hit the mainland.

"The storm is still 36 hours away from Florida and is in a good position to change direction," a forecaster said.

At 5 a.m., ES, the hurricane was centered near Latitude 21.7 North and Longitude 71.0 West. It had increased its forward movement slightly to 20 m.p.h. with little change in intensity.

**Warn Small Crafts**  
"Small craft throughout the Bahamas and along the southeast Florida coast should not venture far from port," the advisory said. Hurricane Betsy already had killed one person and caused wind and water damage in some parts of Puerto Rico as it sped almost due west and then veered toward the west-northwest.

A U. S. Navy Neptune patrol bomber took off from Guantanamo Bay, Cuba, to report Betsy's progress.

## Dedicate New

step. We still have to build a second wing to vacate the original building of patients and add to our present patient capacity.

"I wonder today if we are dedicating a building, or rededicating ourselves to the ideals of community service of the men who founded this hospital 40 years ago. In this new program we are fulfilling their ideals.

### Cuts Ribbon As Climax

"With a high sense of appreciation of the devoted work of this hospital over the years, I would like to read into this dedication the names of the founders. What we have today is to a large measure due to the foresight of these men.

"I would like at this moment to dedicate this building to their memory and rededicate ourselves to the completion of that task which they began, and pledge ourselves to construction of the next wing, so that the kind of facilities we have here today may be available to all and that the original hospital may be devoted to outpatients and facilities. In this spirit I dedicate this new wing."

He then cut the ribbon across the corridor. Thomas then invited the group to view the new facilities. Refreshments were served in the new sun parlor by the Auxiliary.

### Auxiliary Members Serve

The invocation was given by the Rev. Victor K. Meredith Jr., pastor of the local Methodist Church, and the benediction by the Rev. Fr. Alexis F. Arnoldin, assistant pastor of St. Francis Xavier Catholic Church.

Members of the auxiliary who manned a bazaar booth during the open house and dedication included Mrs. Bruce Wolff, Mrs. Charles E. Weaver, Miss Carrie Miller, Miss Monroe Dellinger, Mrs. Paul L. Roy, Mrs. Howard Hartzell, Mrs. Fred Gormley, Mrs. Fred Bryson, Mrs. Edwin Minter.

Past presidents and aides who poured at the tea table were Mrs. Raymond Sheely, Mrs. Fred Pfeffer, Mrs. Edmund W. Thomas, Mrs. C. Ross Shuman, Mrs. LeRoy H. Winebrenner, Mrs. Roy W. Gifford, Mrs. Paul Singmaster, Mrs. John Teeter who was in charge of the kitchen.

Is fury flattened wooden buildings in some Puerto Rico areas, killed one person and knocked out lighting and transportation in San Juan yesterday.

The Miami Weather Bureau said the hurricane's outlying gales extended 150 miles northeastward and 75 miles southward of the storm center.

## MISS FEESER

(Continued from Page 1)

white mums, palms and ferns. Ivy and white satin ribbon decorated the pews.

The bride, who was given in marriage by her father, was attired in a white embroidered tulle gown fashioned in princess style, and featured short sleeves with a square neckline. The skirt worn over a hoop, ended in a short sweep. She wore matching mitts. Her elbow length veil fell from a Juliet cap of matching tulle. She carried a shower bouquet of white mums, stephanotis and ivy.

### Reception For 200

Miss Diane E. Stambaugh, Bryn Mawr, cousin of the bride, was maid of honor. She wore a white nylon cocktail length gown, featuring a mint green cummerbund. Her shower bouquet was of yellow and white baby mums. Bridesmaids, Mrs. Bernard G. Kebil, Littlestown and Miss Irene L. Crouse, Gettysburg, R. 4, sister of the groom, wore gowns identical to that worn by the maid of honor, with a peach tulle cummerbund. They carried shower bouquets of white and peach baby mums. All attendants wore white gloves and white picture hats trimmed with bows to match the cummerbund of their gown.

David Rainger Buehler, Gettysburg, R. 1, friend of the groom, was best man. Serving as ushers were Everett A. Feeser, Littlestown, brother of the bride, and Ted L. Crouse, Gettysburg, R. 4, brother of the groom.

A reception was held in the church social hall immediately following the ceremony. Approximately 200 wedding guests were in attendance. Wedding bells and flowers decorated the hall. A three-tier wedding cake formed the centerpiece of the bride's table.

### On Wedding Trip

Following the reception, the couple left on a wedding trip of unannounced destination. For going away, the bride chose a blue linen sheath dress with blue accessories, and wore a yellow rosebud corsage. Upon their return, the newlyweds will reside, for the present, at the home of the bride's parents.

Mrs. Crouse was graduated from the Littlestown High School and the Maryland Medical Secretarial College, Hagerstown. She is employed by Dr. F. C. Lepper Jr., Hanover.

Mr. Crouse is a graduate of the Gettysburg High School, attended Pennsylvania State University, State College, and is engaged in farming.

### GERMAN TO BE EAGLE GUEST TUESDAY NIGHT

An international guest will visit the Fraternal Order of Eagles, Littlestown Aerie No. 2226, at the weekly meeting of the Aerie on Thursday, 8 p.m., at the F.O.E. Home, W. King St. Dietrich Sauer, West Berlin, German, a student at Eaglehaus, the vocational youth training school at West Berlin, established by the F.O.E., will speak to the local Eagles. He will exhibit a set of color slides on Berlin and Eaglehaus at the program arranged by the Littlestown Aerie.

Dietrich is one of more than 300 West Berlin youngsters who have been given an opportunity by the Eagles to become master craftsmen in a democratic environment, to counteract communistic propaganda aimed at German youth and to demonstrate how democratic training leads to a full and happy life. Eaglehaus was set up by the F.O.E. in 1953 with the cooperation of the West Berlin government and the world relief agency, CARE. Aeries in the United States, including the local one, make available training kits for the Eaglehaus students through CARE West Berlin office. The principle craft taught is carpentry, and the curricula includes lectures, practical work in shops, and such general courses as current events, history, modern art and grammar.

This project started as a result of a friendship which developed between Judge Robert W. Hansen, Milwaukee, Wis., past grand worthy president of the Eagles, and the late Ernest Reuter, mayor of West Berlin, during the latter's visit to the United States. It was conceived as a project to further the friendship of the United States with the new democratic Germany and to foster the common ideals of the two nations.

#### Guest Soloist

Clarence L. Schwartz Jr., of town, was guest soloist at the Sunday morning worship service in Redeemer's Evangelical and Reformed Church. Mr. Schwartz sang "Morning" by Oley Speaks, accompanied on the organ by Mrs. George A.

batteries. A large crowd was on the carnival grounds, and entertainment was provided by Tex Daniels and His Lazy-H Ranch Gang.

#### Banns Published

The Rev. Fr. William A. Boyle announced at the Sunday morning masses in St. Aloysius Catholic Church that the men of the congregation are asked to go to the parochial school this evening, and each evening this week, until the painting and other renovations of the school are complete.

Confessions will be heard on Tuesday from 4 to 4:45 and 7 to 7:45 p.m., in preparation for Wednesday, the Feast of the Assumption of the Blessed Virgin Mary and a holy day of obligation. There is a dispensation of the law covering fast and abstinence tomorrow, the vigil of the Feast, granted by the Holy Father. Masses on Wednesday will begin at 5:30 and 8 a.m. Daily mass the remainder of the week will be at 7:30 a.m.

At the late mass on Sunday, banns of matrimony were published for the first time between Anthony Carbaugh, of St. Mary's of the Immaculate Conception Parish, New Oxford, and Patricia Bevenour, daughter of Mr. and Mrs. Robert Bevenour, of the congregation.

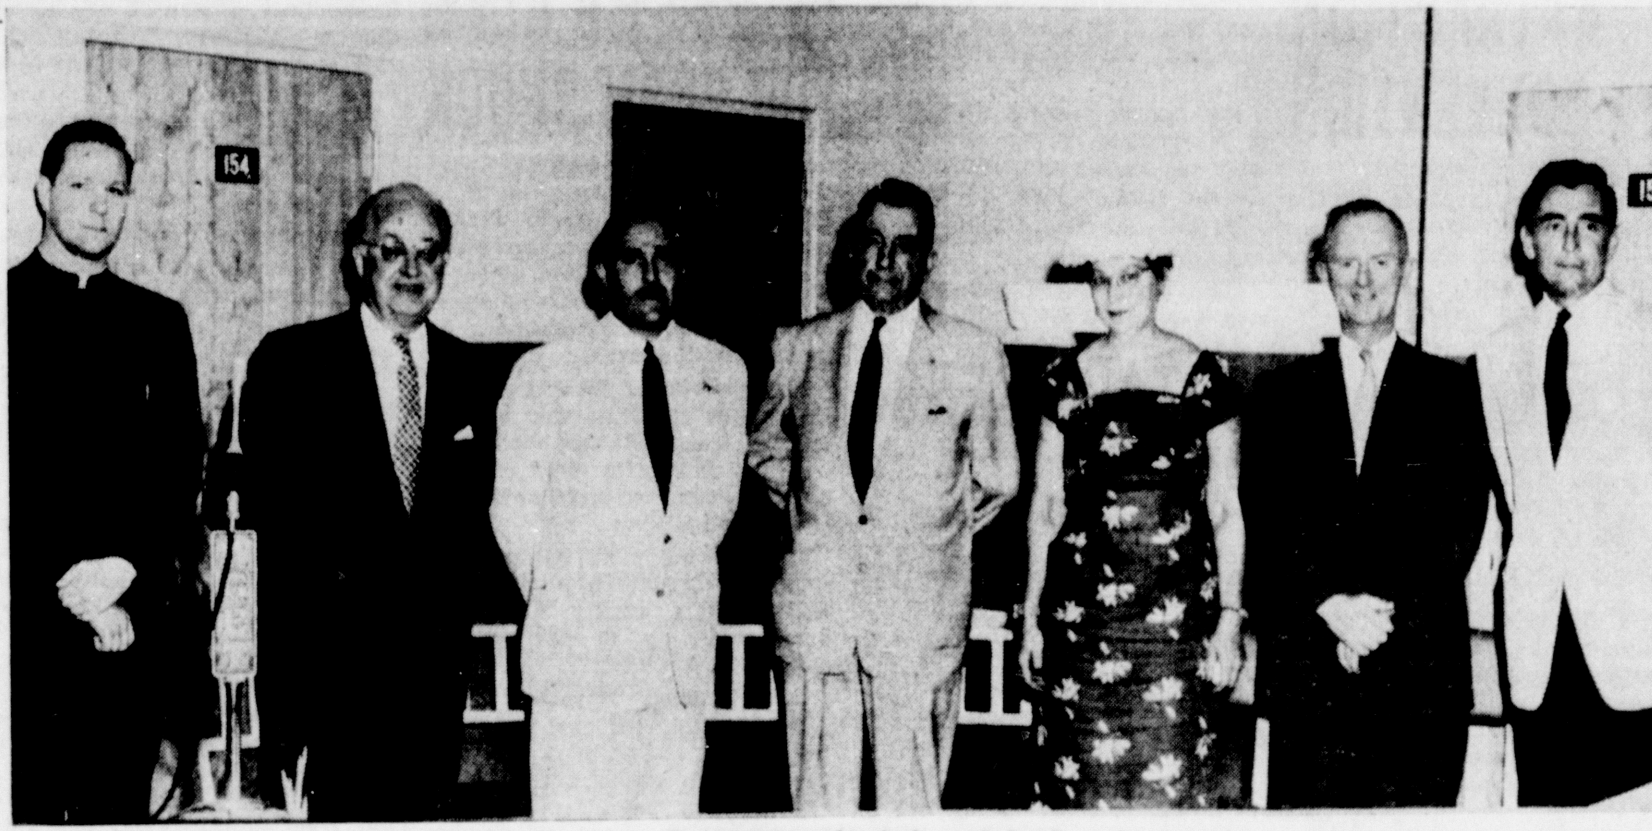

The weekly Saturday night public parties will be resumed this week, after the past week's omission, due to the firemen's carnival. Miss Mary Rita Redding and Mrs. Donald Harner are co-chairmen of the refreshment committee for August 18th.

Gene Holtzer's racing ostriches and camels will feature the wild animal show presentation on Saturday at 2:30 and again at 8 p.m. Fred's Broadway Shows will occupy the expanded mid-way throughout the fair's engagement.

## BETSY HEADS FOR BAHAMAS

MIAMI, Fla. (U.P.)—Hurricane Betsy, with 125 m.p.h. winds, whirled across Turks Island today and continued on a northwest path that would send it ripping through the Bahamas.

Bowling along at 20 m.p.h., the second tropical storm of the season still was 650 miles from Florida and the Weather Bureau would make no predictions as to whether it would hit the mainland.

"The storm is still 36 hours away from Florida and is in a good position to change direction," a forecaster said.

At 5 a.m., ES, the hurricane was centered near Latitude 21.7 North and Longitude 71.0 West. It had increased its forward movement slightly to 20 m.p.h. with little change in intensity.

**Warn Small Crafts**

"Small craft throughout the Bahamas and along the southeast Florida coast should not venture far from port," the advisory said. Hurricane Betsy already had killed one person and caused wind and water damage in some parts of Puerto Rico as it sped almost due west and then veered toward the west-northwest.

A U. S. Navy Neptune patrol bomber took off from Guantanamo Bay, Cuba, to report Betsy's progress.

Its fury flattened wooden buildings in some Puerto Rico areas, killed one person and knocked out lighting and transportation in San Juan yesterday.

The Miami Weather Bureau said the hurricane's outlying gales extended 150 miles northeastward and 75 miles southward of the storm center.

step. We still have to build a second wing to vacate the original building of patients and add to our present patient capacity.

"I wonder today if we are dedicating a building, or rededicating ourselves to the ideals of community service of the men who founded this hospital 40 years ago. In this new program we are fulfilling their ideals.

Cuts Ribbon As Climax

"With a high sense of appreciation of the devoted work of this hospital over the years, I would like to red into this dedication the names of the founders. What we have today is to a large measure due to the foresight of these men.

"I would like at this moment to dedicate this building to their memory and rededicate ourselves to the completion of that task which they began, and pledge ourselves to construction of the next wing, so that the kind of facilities we have here today may be available to all and that the original hospital may be devoted to outpatients and facilities. In this spirit I dedicate this new wing."

He then cut the ribbon across the corridor. Thomas then invited the group to view the new facilities. Refreshments were served in the new sun parlor by the Auxiliary.

**Auxiliary Members Serve**

The invocation was given by the Rev. Victor K. Meredith Jr., pastor of the local Methodist Church, and the benediction by the Rev. Fr. Alexis F. Arnoldin, assistant pastor of St. Francis Xavier Catholic Church.

Members of the auxiliary who manned a bazaar booth during the open house and dedication included Mrs. Bruce Wolff, Mrs. Charles E. Weaver, Miss Carrie Miller, Miss Monroe Dellinger, Mrs. Paul L. Roy, Mrs. Howard Hartzell, Mrs. Fred Gormley, Mrs. Fred Bryson, Mrs. Edwin Minter.

Past presidents and aides who poured at the tea table were Mrs. Raymond Sheely, Mrs. Fred Pfeiffer, Mrs. Edmund W. Thomas, Mrs. C. Ross Shuman, Mrs. LeRoy H. Winebrenner, Mrs. Roy W. Gifford, Mrs. Paul Singmaster. Mrs. John Teeter was in charge of the kitchen.

to state a preference. The nomination requires 688½.

**Harriman Claims 400**

The Harriman camp claimed 400 votes; Stevenson strategists stuck to their prediction of 600 to 630 on the first ballot.

Truman busied himself from morning till late at night seeing candidates, governors and delegation chiefs. He worked with his old pros of former years not only to get Harriman support but to keep "favorite sons" in the race.

After days of suspense, he announced late Saturday he regarded Harriman as the "best qualified man" to be president.

Sen. Johnson got some support for his strategy of keeping Dixie delegations out of the Stevenson column until the convention acts on the platform's controversial civil rights plank — or until he or some other favorite son could overhaul Stevenson.

**Favored In Applause**

Aided by Mrs. Franklin D. Roosevelt, who campaigned with him until midnight last night despite her 71 years, Stevenson kept up a drumming pace. By all odds, he was the favorite in the applause at gatherings where he, Harriman and others turned out.

About 10,000 people tried to jam their way into a reception Stevenson gave for Mrs. Roosevelt. When he and Harriman made separate appearances at a dinner given for Democratic women, Stevenson got an ovation, Harriman only polite applause.

In the jockeying for delegate votes, Stevenson seemed to be fending off Harriman's challenge as the uncommitted Northern delegations began to shake down.

There was no sign that Truman had been able to move into action for Harriman any of the organized labor leaders who previously have maintained a neutral attitude on the candidates. Union leaders worked with Truman to put across Stevenson's nomination in 1952.

#### Union Leader Unmoved

Gus Scholle, president of the Michigan State CIO Council, said Truman's endorsement of Harriman hadn't changed his support of Stevenson.

The state's 44-vote delegation is pledged to Gov. G. Mennen Williams as a "favorite son." Williams wouldn't express a choice between Stevenson and Harriman. But the governor said he had "no covert desire to help promote a deadlock, and open the way for some other candidate."

Scholle said that unless Williams plumps publicly for Harriman, Stevenson would get "nearly all" Michigan's votes. If Williams backs Harriman, Scholle guessed half would go with Williams.

Mrs. Roosevelt suggested that perhaps Truman might have had Sen. Stuart Symington of Missouri in mind as a darkhorse in endorsing Harriman. The Truman camp immediately denied this.

**Truman Lauds Symington**

Symington, who spent 30 minutes with Truman, got a compliment from the former president.

white mums, palms and ferns. Ivy and white satin ribbon decorated the pews.

The bride, who was given in marriage by her father, was attired in a white embroidered taffeta gown fashioned in princess style, and featured short sleeves with a square neckline. The skirt worn over a hoop, ended in a short sweep. She wore matching mitts. Her elbow length veil fell from a Juliet cap of matching taffeta. She carried a shower bouquet of white mums, stephanotis and ivy.

#### Reception For 200

Miss Diane E. Stambaugh, Bryn Mawr, cousin of the bride, was maid of honor. She wore a white nylon cocktail length gown, featuring a mint green cummerbund. Her shower bouquet was of yellow and white baby mums. Bridesmaids, Mrs. Bernard G. Kebil, Littlestown and Miss Irene L. Crouse, Gettysburg, R. 4, sister of the groom, wore gowns identical to that worn by the maid of honor, with a peach taffeta cummerbund. They carried shower bouquets of white and peach baby mums. All attendants wore white gloves and white picture hats trimmed with bows to match the cummerbund of their gown.

David Rainger Buehler, Gettysburg, R. 1, friend of the groom, was best man. Serving as ushers were Everett A. Feeser, Littlestown, brother of the bride, and Ted L. Crouse, Gettysburg, R. 4, brother of the groom.

A reception was held in the church social hall immediately following the ceremony. Approximately 200 wedding guests were in attendance. Wedding bells and flowers decorated the hall. A three-tier wedding cake formed the centerpiece of the bride's table.

#### On Wedding Trip

Following the reception, the couple left on a wedding trip of unannounced destination. For going away, the bride chose a blue linen sheath dress with blue accessories, and wore a yellow rosebud corsage. Upon their return, the newlyweds will reside, for the present, at the home of the bride's parents.

Mrs. Crouse was graduated from the Littlestown High School and the Maryland Medical Secretarial College, Hagerstown. She is employed by Dr. F. C. Leppard Jr., Hanover.

Mr. Crouse is a graduate of the Gettysburg High School, attended Pennsylvania State University, State College, and is engaged in farming.

# BIRTHS DROP IN THIS AREA

The number of births in the Gettysburg district continued to decline under last year's records during July.

According to the report of the registrar of vital statistics for the Gettysburg and Cumberland, Straban, Franklin and Highland Twp., district, there were 80 births in the area during July. All of the births, 45 males and 35 females, occurred in Gettysburg. The number compares to 92 during July a year ago.

During the first seven months of this year there have been 590 births in the district compared to 613 for the same period last year.

There were 22 deaths in the district in July, compared to 21 in July 1955. So far this year there have been 137 deaths. During the comparable period a year ago there were 134 deaths.

The deaths last month include 16, six males and ten females, in Gettysburg, a male and a female in Cumberland Twp., two males in Straban Twp. and a male and a female in Franklin Twp. There were no deaths in Highland Twp.

## Two Trucks Hit Shed; \$800 Damage

Two trucks and the Bethlehem quarries scales shed figured in a collision this morning at 9 o'clock with damage totalling \$800 and the only injury listed was a bruised nose for one of the drivers.

State police said Curvin R. Miller, 64, Hanover, was headed south, planning to turn into the quarry at the scale house, Richard S. Bosler, Williamsport R. D., driving a tractor trailer south, toward Hanover on the Cross Keys Rd., sought to pass Miller as Miller started his turn.

Miller suffered the bruised nose. Damage to the Miller truck was \$200; to the Bosler tractor-trailer, \$400, and to the scales shed, where the two trucks finally halted, \$200.

## Shiloh Film Is Shown On Sunday

The story of the Battle of Shiloh, April 6 and 7, 1862, was screened Sunday evening at the weekly campfire program held by the National Park Service on E. Cemetery Hill.

Dr. Frederick Tilberg introduced Dr. Lykes, of the National Park Service, who spoke on the battle and showed a motion picture he had made in which the Shiloh events were recreated by National Guard units.

At the conclusion of the film he answered questions posed by the 125 present. Next Sunday the campfire program will present the most recent film made of Pennsylvania, entitled "Pennsylvania, Land of Decision."

## Dr. Granville Schultz Has Heart Attack

Dr. Granville R. Schultz, 39, Baltimore St. dentist, suffered a heart attack Saturday evening about 6 o'clock. His condition was reported at the Warner Hospital at noon today as satisfactory.

The local dentist had gone to the home of a friend, James Hafer, Biglerville Rd., and their families were swimming in the pool there. Dr. Schultz suffered the attack while in the water. He quickly got out of the water and a physician was called.

o'clock with the Rev. Dr. Ralph R. Gresh, Leacock, Pa., officiating. There will be a viewing at the Peters Funeral Home Tuesday evening from 7 to 9 o'clock.

The deceased was a native of Gettysburg and a graduate of Gettysburg High School. He served four years in the army during which he was a member of the ceremonial guard at Fort Meyer, Va. He was a member of St. James Lutheran Church here.

Members of the family said that he had gotten into the stock car racing after he had built several such cars during his employment at Arlington. He built his own vehicle and had taken part in about four races, but was planning to sell the car in the near future and stop racing.

His car Saturday night had fallen behind the remainder of the vehicles when it suddenly swerved into the fence. A two-by-four apparently smashed through the windows of the car as it overturned, the family said, and crushed his skull.

## Wrist Fractured When Cars Collide

John H. Smith, 35, Hanover, suffered a fractured right wrist and bruised arm when his car, operated by George B. M. Baker, 36, of Abbotstown R. 1, collided with a car parked in the first block Fourth St., Hanover, Saturday at noon.

Hanover police said Smith was taken to the office of Dr. George E. Thomassy, and later moved to Hanover Hospital where he was treated and discharged. Police said Smith was riding with his arm resting on the door when the vehicles collided.

Damage to Smith's car was estimated at \$50 and to the parked car at \$75. It is owned by Edward Kahn, Philadelphia.

## Mrs. Weaver's Rites Conducted Sunday

The funeral of Mrs. Ella D. Weaver, widow of Attorney Edward A. Weaver, who died last Thursday afternoon at the home of a daughter, Miss Marguerite E. Weaver, Wilmington, Del., was held Sunday afternoon at 2 o'clock at the Bender Funeral Home with the Rev. David Menges, of Menges Mills, officiating. Interment was made in the family plot in Evergreen Cemetery.

The pallbearers were C. Clinton Smith, Charles Smith, George MacCord, Paul Reedy, Henry T. Bream and Jack Bream.

### SPONSORER SERVICES

Funeral services for Edward S. Sponseller, 41, New Oxford R. 2, who died at the Hanover Hospital last Thursday, were held this morning from the Fred F. Feiser Funeral Home in New Oxford with a requiem mass at 9 o'clock in Immaculate Conception Church, New Oxford, with the Rev. Fr. Philip Gergen officiating. Interment was in the church cemetery. Six brothers-in-law were the bearers: Joseph, Leo, Raymond, Wilbur, Carroll and Ralph Hockensmith.

# CAPTURES GREEN PASTURE PRIZE

Paul Waybright, Gettysburg R. 1, was named the winner of the Green Pasture contest sponsored by the Gettysburg Young Farmers was 7 tons of lime donated by the Thomasville Lime Co., Thomasville, Ocher prize winners were: 2nd, Charles Steiner, R. 1, 12 bags of fertilizer; 3rd, Roy Weaver, Jr., R. 4, 8 bags of fertilizer; 4th, Richard Waybright, R. 2, 5 bags of fertilizer. The fertilizer prizes were given by the Union Fertilizing Co., Hanover.

Judges for the contest were Richard C. Lightner, Adams-Franklin County vocational agriculture advisor, and Thomas Malm, York County vocational agricultural advisor.

Eight members participated in the contest. On Aug. 26 at 6:30 p.m. members of the Young Farmers Association will tour the winning pastures and see and hear how they have been managed during the past year.

Points in the contest judging were distributed on the basis of production, quality, and management and effort for pasture improvement.

## Truman

(Continued from Page 1)

meeting with the ex-President at his hotel suite, Rayburn and Johnson insisted they talked mostly about keeping the party united.

"There's not going to be any row," Rayburn said, "and we are going to wind up this convention as Democrats, as united as ever."

They said Truman had not asked their support for Harriman, and that "individuals were not discussed."

Truman's lieutenants were reported to be doing all they could to persuade "favorite sons" to hold on to their delegations for the early ballots, and trying to encourage others in the South to support Johnson. The idea is to keep as many delegates as possible away from Stevenson in hopes that Harriman will quickly pick up steam.

### Harriman Second Choice

They were concentrating too on efforts to get pledges for Harriman votes if Stevenson misses nomination on an early ballot.

"There are many delegates now committed to Stevenson who say Harriman is their second choice," McKinney told a reporter.

It was difficult to measure the progress in the absence of public declarations, but no one questioned that Truman was enjoying every bit of it.

"We are going to have fun at this convention," Gov. Orval Faubus of Arkansas quoted him as saying. "It wouldn't be a good convention unless we did."

## Two Couples Get Marriage Licenses

Marriage licenses have been issued by the clerk of courts to the following couples:

## Washington Beats Red Sox As Yanks Take Pair; Braves Hold NL Lead; Brooklyn Takes Phils

By JOE REICHLER  
The Associated Press

If the Boston Red Sox fall in their drive to overtake the American League-leading New York Yankees, as it now seems likely, they can blame it on the Washington Senators.

The lowly Nats, waging a season-long struggle to stay out of the cellar, have been plain poison to the Red Sox. On the other hand, they have been little more than a doormat for the Yankees.

They have won 9 of 13 games with Boston, the best record of any team against the Red Sox. In sharp contrast, they've won only 2 of 16 with the Yankees. There is your reason why the Yankees today were in first place, 10 games in front of the third-place Red Sox.

**Braves Hold Lead**  
While New York was increasing its margin over runner-up Cleveland to 8½ games yesterday by sweeping a double-header from Baltimore 6-2 and 4-2, Washington was whipping the Red Sox 8-2.

The Indians widened their lead over Boston to a game and a half by defeating Kansas City 6-3. Detroit thrashed Chicago 5-2.

In the National, Milwaukee maintained its 1½-game edge on Brooklyn by overpowering Cincinnati 8-2 as the Dodgers were beating Robin Roberts and Philadelphia 7-3.

Pittsburgh whipped the Giants 3-2 and 11-3 while Chicago played a scoreless nine-inning tie with St. Louis after defeating the Cardinals 6-2. Darkness halted the second game.

**Mantle And Burns**  
Outfielders Jim Lemon and Roy Sievers, who have been hitting practically everything Boston pitchers have thrown at them this year, were the offensive stars again as Washington knocked starter Willard Nixon out of the box in the first inning.

Lemon blasted his fourth home run in the three-game series with Boston and drove in two runs. Sievers collected three singles and drove in a run.

The Yankees' one-two punch of Mickey Mantle and Yogi Berra did it again. Mantle smacked his 41st home run and drove in three runs in the opener as Don Larsen went the route for his seventh victory. Berra's two-run triple proved the difference in the second game. Mantle is now 13 games ahead of Babe Ruth's record pace.

**Tigers Beat Chicks**  
Herb Score struck out 14 for his 12th victory. Bobby Avila, Rocky Colavito and Al Smith homered for the Indians.

Second baseman Frank Bolling cracked a three-run homer and a double that enabled the Tigers' Billy Hoelt to win a souped-up duel from Chicago's Billy Pierce.

Lew Burdette hurled a five-hitter for the Braves as they won the rubber of their three-game set from Cincinnati. Milwaukee chased 16-game winner Brooks Lawrence in the third and went on to collect eight hits, including two by Bobby Thomson, who drove in two runs.

**Four Brooklyn Homers**  
Carl Furillo slammed two of Brooklyn's four home runs. Pee Wee Reese and Randy Jackson got the other two. Roger Craig won his 11th although he needed help from Clem Labine in the ninth.

Homers by Jim King and Monte Irvin accounted for five of Chicago's six runs as right-hander Bob Rush scattered nine St. Louis hits for his 11th triumph. Herman Wehmeier, Card right-hander, and Jim Davis, Cub southpaw, waged the scoreless second game duel.

Frank Thomas singled four times to spearhead a 17-hit Pirate attack against three Giant pitchers in the second game after Pittsburgh had won the opener on Bill Virdon's two-run triple.

## Clinches Golf Tourney, 2 Up

BELLEFONTE, Pa. (AP) — Jim Mayes, Philadelphia, won the 30th annual Central Counties Golf Tournament yesterday with a 2 up victory over Dr. Kenneth England, Altoona.

Mayes replaced Dick Olson, Clarifield, as champion. Olson was eliminated by Dr. England in yesterday morning's round.

The Philadelphia golfer entered the final round by eliminating Jack Hair, State College, one up.

## Hank Dowda Lost To Eagles; Bad Knee

HERSHEY, Pa. (AP)—Defensive fullback Hank Dowda will be lost to the Philadelphia Eagles until at least midseason with an injured right knee.

Dowda was scheduled to undergo an operation today in Philadelphia for the injury, incurred during Saturday night's 24-13 loss to the Baltimore Colts in a National Football League exhibition contest.

The Eagles will also be without the service of quarterback Bobby Thomson for a few days. Thomson, knocked unconscious in the contest, also suffered a leg injury.

## WILLIE TROY IN RE-MATCH

By THE ASSOCIATED PRESS

The Monday show from St. Nicholas Arena in New York has the airways all to itself this week with the Wednesday and Friday fights shut down because of conflict with the political convention at Chicago.

Jerry Luedee of New Haven and Willie Troy of Washington, D.C., are rematched in a 10-round midweight battle to be seen on TV. DuMont, in some sections of the country. Troy beat Luedee on a split decision, July 10.

The first match was scored as close as possible without being a draw. Judge Frank Fullam had it 5-5 in rounds with the points even. Referee Dave Feld had it 5-5 in rounds but gave Troy an 8-5 edge in points. Judge Leo Binbaum scored it for Troy 6-4.

Eddie Machen will try to stretch his unbeaten streak to 16 Thursdays at Portland, Oregon, against Walter Hafer. Washington veteran Machen knocked out Nino Valdes in his last start.

## FURNEY BEATS CHARLES FAIR

In matches held Saturday morning at 10 o'clock in the tennis tournament at the Recreation Field, Bob Furney defeated Charles Fair 6-2, 6-4 in a consolation match in the 12-16-year-old boys' class. Furney's next opponent will be Pat Redding. The winner will meet Gary Collingsworth for the championship.

In the girls' tourney on Saturday at 2 p.m. Jane Bigham defeated Janet Staiger in a consolation match 6-4, 3-6, 6-4. She will meet Anne McIlhenny tonight at 7 o'clock for the championship. Since the tourney is a double elimination, if Jane Bigham wins tonight's match, she will have to replay Miss McIlhenny again since she has already lost one match to her opponent.

The adult tourney will start Tuesday evening with the following scheduled: Tuesday, 6:30 p.m. John Houser vs. Rod Steiner; R. Hart Beaver vs. Sid Steiner; Wednesday, 6:30 p.m. Niels Sundermyer vs. Lloyd Benner; J. R. Cogley vs. Mike Sundermyer.

Other matches scheduled today are as follows: 1:30 p.m. 9-12 age group. Dick Kitzmiller vs. Bill Pinko; James Oyler vs. Bin Miller; 2:30 p.m. 15-18-year-old group. Mike Sundermyer vs. Charlie Lightner, a consolation match; 6 p.m. Rod Steiner vs. Sid Steiner, completion of match halted by darkness Friday; 7 p.m. Niels Sundermyer vs. McKnight, consolation match; girls' match. Ann McIlhenny vs. Jane Bigham for title.

It took the Johnstown Johnnies less than a minute yesterday to defeat the first-place Binghamton Triplets, a feat no other team in the Eastern League can boast.

Nick Testa slammed out a single to give the host Johnnies a 4-3 decision in a game suspended Saturday night under Pennsylvania curfew law.

The Triplets went the distance in the second game, the regularly scheduled affair, to whip Johnstown 4-2. Binghamton is two games ahead of Reading and Schenectady, who were idle yesterday.

Albany and Allentown had a wild and woolly affair in Allentown with the hosts winning 5-2.

And Syracuse found its latent punch in walloping Williamsport 15-0, on a 14-hit barrage including four homers.

With Hunterstown and Bendersville both pounding out victories Sunday the race for the top spot in the loop standing remained tied between the two squads with each team having two games to play before the circuit's regular schedule ends.

Hunterstown defeated Bonneauville 6 to 3 on the Hunterstown diamond to rack up its 13th straight victory in league competition.

Bendersville had little trouble disposing of the basement-dwelling Harvey squad 9 to 0 at the same time.

As a result of other games on the schedule, the league developed a three-way tie for fifth place.

Greenmount outran the Littletown squad 17 to 14 at Marsh Creek Heights Sunday afternoon. Littletown put four pitchers on the mound and Greenmount put in three during the runfest.

**Two Are Bruised**  
Greenmount put the game on ice in the bottom of the eighth, when with the score 13 to 14, Greenmount pushed through three more runs to complete its scoring. With the weather described as the hottest this summer, many of the runs were unearned. Two of the players suffered bruises when caught by line drives. Francis Warner was hit on the kneecap by a foul and Samuel Staley was caught on the forehead by a line drive. Both shook off the pain of the bruises and continued in play.

Greenmount's victory, plus Brushstown's loss, 6 to 2 at the hands of Mummasburg moved Greenmount from seventh place into the tie for fifth. Mummasburg took off early in its win over Brushstown, scoring five of its six runs in the first inning.

Fred Kuntz, Bendersville pitcher, turned in an outstanding performance Sunday. After giving up two hits, back to back, he retired 23 straight men, fanning 11 of them.

Manager George King's Hunterstown squad, after putting that 13th straight victory on ice, was in belief that it may have set a new Adams County record for straight wins. The manager gives credit to Johnny Little, for the team has not lost a game since Little returned from the service and took over the catching post, to the pitching of fireballer Bill Heyser and the work of short stop Johnny King. Little and Heyser are former Gettysburg High School stars while Johnny King is at present a varsity player on the Gettysburg High School squad.

**Truck Jackknifes; Girl, 18, Is Killed**

HAZLETON, Pa. — An 18-year-old girl was injured fatally last night when a tractor-trailer truck jackknifed into a parked automobile in the victim was a passenger.

The victim was Madelyn Hayes, 18, of Meshoppen.

The death car was one of several whose drivers had parked on Rt. 309 north of Tamaqua to watch a wrecking crew remove two cars damaged in a previous accident. Police say the tractor-trailer was attempting to pass when it crashed into the car.

Miss Hayes died in Hazleton Hospital. Also injured was James L. Joyner, 18, of Coatesville, Pa., driver of the car. Police say the truck driver, David Utz, 32, of Bloomsburg, was not hurt.

**CHESTER, Pa. (AP) —** Johann Nelsen, 42, chief steward of the Norwegian ore ship Ora, was found dead in his cabin yesterday.

Detective John Taylor said both of Nelsen's wrists had been slashed and that the wounds appeared to be self-inflicted.

## Washington Beats Red Sox As Yanks Take Pair; Braves Hold NL Lead; Brooklyn Takes Phils

By JOE REICHLER

The Associated Press  
If the Boston Red Sox fall in their drive to overtake the American League-leading New York Yankees, as it now seems likely, they can blame it on the Washington Senators.

The lowly Nats, waging a season-long struggle to stay out of the cellar, have been plain poison to the Red Sox. On the other hand, they have been little more than a doormat for the Yankees.

They have won 9 of 13 games with Boston, the best record of any team against the Red Sox. In sharp contrast, they've won only 2 of 16 with the Yankees. There is your reason why the Yankees today were in first place, 10 games in front of the third-place Red Sox.

**Braves Hold Lead**  
While New York was increasing its margin over runner-up Cleveland to 8½ games yesterday by sweeping a double-header from Baltimore 6-2 and 4-2, Washington was whipping the Red Sox 8-2. The Indians widened their lead over Boston to a game and a half by defeating Kansas City 6-3. Detroit thrashed Chicago 5-2.

In the National, Milwaukee maintained its 1½-game bulge on Brooklyn by overpowering Cincinnati 8-2 as the Dodgers were beating Robin Roberts and Philadelphia 7-3.

Pittsburgh whipped the Giants 3-2 and 11-3 while Chicago played a scoreless nine-inning tie with St. Louis after defeating the Cardinals 6-2. Darkness halted the second game.

**Mantle And Burns**  
Outfielders Jim Lemon and Roy Sievers, who have been hitting practically everything Boston pitchers have thrown at them this year, were the offensive stars again as Washington knocked starter Willard Nixon out of the box in the first inning.

Lemon blasted his fourth home run in the three-game series with Boston and drove in two runs. Sievers collected three singles and drove in a run.

The Yankees' one-two punch of Mickey Mantle and Yogi Berra did it again. Mantle smashed his 41st home run and drove in three runs in the opener as Don Larsen went the route for his seventh victory. Berra's two-run triple proved the difference in the second game. Mantle is now 13 games ahead of Babe Ruth's record pace.

**Tigers Beat Chisox**  
Herb Score struck out 14 for his 12th victory. Bobby Avila, Rocky Colavito and Al Smith homered for the Indians.

Second baseman Frank Bolling cracked a three-run homer and a double that enabled the Tigers' Billy Hoelt to win a southpaw duel from Chicago's Billy Pierce.

Lew Burdette hurled a five-hitter for the Braves as they won the rubber of their three-game set from Cincinnati. Milwaukee chased 16-game winner Brooks Lawrence in the third and went on to collect eight hits, including two by Bobby Thomson, who drove in two runs.

**Four Brooklyn Homers**  
Carl Furillo slammed two of Brooklyn's four home runs. Pee Wee Reese and Randy Jackson got the other two. Roger Craig won his 11th although he needed help from Clem Labine in the ninth.

Homers by Jim King and Monte Irvin accounted for five of Chicago's six runs as right-hander Bob Rush scattered nine St. Louis hits for his 11th triumph. Herman Wehmeier, Card right-hander, and Jim Davis, Cub southpaw, waged the scoreless second-game duel.

Frank Thomas singled four times to spearhead a 17-hit pirate attack against three Giant pitchers in the second game after Pittsburgh had won the opener on Bill Virdon's two-run triple.

## Clinches Golf Tourney, 2 Up

**BELLEFONTE, Pa.** — Jim Mayes, Philsburg, won the 30th Annual Central Counties Golf Tournament yesterday with a 2 up victory over Dr. Kenneth England, Altoona.

Mayes replaced Dick Olson, Clarfield, as champion. Olson was eliminated by Dr. England in yesterday morning's round.

The Philsburg golfer entered the final round by eliminating Jack Hafr, State College, one up.

## Hank Dowda Lost To Eagles; Bad Knee

**HERSHEY, Pa.** — Defensive fullback Hank Dowda will be lost to the Philadelphia Eagles until at least midseason with an injured right knee.

Dowda was scheduled to undergo an operation today in Philadelphia for the injury, incurred during Saturday night's 24-13 loss to the Baltimore Colts in a National Football League exhibition contest.

The Eagles will also be without the service of quarterback Bobby Thomson for a few days. Thomson, knocked unconscious in the contest, also suffered a leg injury.

## WILLIE TROY IN RE-MATCH

By THE ASSOCIATED PRESS  
The Monday show from St. Nicholas Arena in New York has the airways all to itself this week with the Wednesday and Friday fights shut down because of conflict with the political convention at Chicago.

Jerry Luedee of New Haven and Willie Troy of Washington, D.C., are rematched in a 10-round middleweight battle to be seen on TV. DuMont, in some sections of the country. Troy beat Luedee on a split decision, July 10.

The first match was scored as close as possible without being a draw. Judge Frank Fullam had it 5-5 in rounds with the points even. Referee Dave Field had it 5-5 in rounds but gave Troy an 8-5 edge in points. Judge Leo Binbaum scored it for Troy 6-4.

Eddie Machen will try to stretch his unbeaten streak to 16 Thursday at Portland, Oregon, against Walter Hafer, Washington veteran. Machen knocked out Nino Valdes in his last start.

## FURNEY BEATS CHARLES FAIR

In matches held Saturday morning at 10 o'clock in the tennis tournament at the Recreation Field, Bob Furney defeated Charles Fair 6-2, 6-4 in a consolation match in the 12-16-year-old boys' class. Furney's next opponent will be Pat Redding. The winner will meet Gary Collingsworth for the championship.

In the girls' tourney on Saturday at 2 p.m. Jane Bigham defeated Janet Staiger in a consolation match 6-4, 3-6, 6-4. She will meet Anne McIlhenny tonight at 7 o'clock for the championship. Since the tourney is a double elimination, if Jane Bigham wins tonight's match, she will have to replay Miss McIlhenny again since she has already lost one match to her opponent.

The adult tourney will start Tuesday evening with the following scheduled: Tuesday, 6:30 p.m., John Houser vs. Rod Steimour; R. Hart Beaver vs. Sid Steimour. Wednesday, 6:30 p.m., Niels Sundermeyer vs. Lloyd Benner; J. R. Cogley vs. Mike Sundermeyer.

Other matches scheduled today are as follows: 1:30 p.m., 9-12 age group, Dick Kitzmiller vs. Bill Pinko; James Oyler vs. Bill Miller; 2:30 p.m., 15-18-year-old group, Mike Sundermeyer vs. Charlie Lightner, a consolation match; 6 p.m. Rod Steimour vs. Sid Steimour, completion of match halted by darkness Friday; 7 p.m., Niels Sundermeyer vs. McKnight, consolation match; girls' match, Ann McIlhenny vs. Jane Bigham for title.

Greenmount's victory, plus Brushstown's loss, 6 to 2 at the hands of Mummaburg, moved Greenmount from seventh place into the tie for fifth. Mummaburg took off early in its win over Brushstown, scoring five of its six runs in the first inning.

Fred Kuntz, Bendersville pitcher, turned in an outstanding performance Sunday. After giving up two hits, back to back, he retired 23 straight men, fanning 11 of them. Manager George King's Hunters-town squad, after putting that 13th straight victory on ice, was in belief that it may have set a new Adams County record for straight wins. The manager gives credit to Johnny Little, for the team has not lost a game since Little returned from the service and took over the catching post, to the pitching of fireballer Bill Heyser and the work of short stop Johnny King. Little and Heyser are former Gettysburg High School stars while Johnny King is at present a varsity player on the Gettysburg High School squad.

**CHURCHES VIC FOR TITLE**  
COATESVILLE, Pa. — Coatesville Presbyterian and Chambersburg Fourth Street Brethren will meet Aug. 25 for the Pennsylvania Church Softball Tournament title.

Chambersburg, winner of the loser's division in the double elimination event, caused the playoff by edging Coatesville, 2-1, Saturday night. Coatesville had won the winner's bracket.

Schapiro, the English-bred 2-year-old named after the president of the Laurel race course, is a full brother to Wilwyn.

Greenmount put the game on ice in the bottom of the eighth, when with the score 13 to 14, Greenmount pushed through three more runs to complete its scoring. With the weather described as the hottest this summer, many of the runs were unearned. Two of the players suffered bruises when caught by line drives. Francis Warner was hit on the kneecap by a foul and Samuel Staley was caught on the forehead by a line drive. Both shook off the pain of the bruises and continued in play.

Greenmount's victory, plus Brushstown's loss, 6 to 2 at the hands of Mummaburg, moved Greenmount from seventh place into the tie for fifth. Mummaburg took off early in its win over Brushstown, scoring five of its six runs in the first inning.

## Two Semi-Final Games Tonight For Softballers

Second games in the best-of-three semi-finals of the local Softball League will be played this evening at the Recreation Park.

In tonight's opener the VFW, winner in the opener 4-3, meets Hess Antiques at 7 o'clock.

The Elks clash with the Moose in the second game. The Elks took a 3-2 victory in the series opener.

Winners of the semi-final series will meet in a best-of-five affair for the playoff championship.

**HAZLETON** — An 18-year-old girl was injured fatally last night when a tractor-trailer truck jackknifed into a parked automobile in which she was a passenger.

The victim was Madelyn Hayes, 18, of Meshoppen.

The death car was one of several whose drivers had parked on Rt. 309 north of Tamaqua to watch a wrecking crew remove two cars damaged in a previous accident. Police say the tractor-trailer was attempting to pass when it crashed into the car.

Miss Hayes died in Hazleton Hospital. Also injured was James L. Joyner, 18, of Coatesville, Pa., driver of the car. Police say the truck driver, David Utt, 32, of Bloomsburg was not hurt.

**CHESTER, Pa.** — Johann Nelsen, 42, chief steward of the Norwegian ore ship Ora, was found dead in his cabin yesterday. Detective John Taylor said both of Nelsen's wrists had been slashed and that the wounds appeared to be self-inflicted.

## Today's Talk

### A KIPLING COLLECTION

It was recently my great privilege to attend the presentation of the Rudyard Kipling First Editions Collection, formed by the late J. McG. Stewart, and will be permanently to Dalhousie University at Halifax, Nova Scotia. The collection that took over fifty years to form is undoubtedly the finest in the world. It now is housed in a special wing of the University library, the gift of the late O. E. Smith, known as The Kipling Room. Through the generosity and interest of James Muir, president of the Royal Bank of Canada, additional endowment was given for the furnishing of The Kipling Room.

Kipling would have rejoiced to see this great collection, formed by a man who was a great lawyer, administrator, literary scholar, and teacher. Many times did I spend an evening with Mr. Stewart handling these precious, priceless items and discussing some of the rarest — many of them unique. Mr. Stewart was a collector who put himself into the collection that he formed. He wanted this to be the kind of a collection that writers, scholars, students, and all lovers of Kipling, might happily travel any distance to view and to study.

Mr. Stewart was a modest man who made no boasts, but he genuinely loved this hobby that has enriched Dalhousie University and the world. Few people, outside a small group of book lovers, even knew that this great collection was being formed, but it will undoubtedly give great prestige to the fine library and University that now takes this great Stewart Kipling collection to its heart.

Nothing in America, I believe, even approaches this Kipling Collection. It comprises some 1200 first edition copies, including association items and pirated editions. It is also rich in manuscript material and letters Research writers, looking for many a hidden item on Kipling, will find it here. In the presenting of this collection to his home town University, Mr. Stewart wanted it to represent a long labor of love, and to inspire others to a like adventure that proved for him a delight and an enriching chapter in his life.

Tomorrow Mr. Adams will talk on the subject: "Nature Our Prompter"

Projected 1956, by the George Matthews Adams Service

**HAM AND EGGS**  
Ham and eggs for breakfast! It's an ancient dish. I know. It was served upon the table in the days of Long Ago.

But I like it, yes I like it, and there's nothing, I declare, that is ever half so tempting on the morning bill of fare.

You may have your modern dishes: have your cereals and stuff. But for me a dish of ham and eggs is plenty good enough.

I want no fancy dishes that your foreign chefs prepare. And I skip all foreign lingo when I read the bill of fare.

You may have your chops and cutlets; have your omelets, but I just shake my head in silence and quickly pass them by.

And I order what my mother used to give me when a boy: A simple dish of ham and eggs — a meal that I enjoy.

Ham and eggs for breakfast! It has stood the test of years. It's a world-wide food, I fancy for it everywhere appears.

There's nothing that can equal it; there's nothing so delightful. The eye of man at breakfast, or so tempts the appetites.

And I start the morning happy and I always wear a smile.

If I've breakfasted on ham and eggs served up in country style.

Improvements At Round Top:—Since the improvements in the neighborhood of Round Top, under the auspices of the Battlefield Memorial Association, it is well worth a visit, and will in all probability become a favorite picnic ground. A good carriage road has been made to and around Devil's Den, across the run to the depression between Round Top and Granite Spout, and thence over the latter, making that portion of the field accessible to visitors. A substantial winding road-way has also been built, following the line of the old works, to the observatory on the summit of Round Top. This road was built under the direction of Frederick Wyszewski, who deserves credit for the thoroughness of the work. A well has also been sunk between the two hills which yields a plentiful supply of water.

The view from the observatory is a commanding one, the finest in the county. The South Mountain swells around to the west and north at distances of from eight to twenty miles, while to the east and south is presented a fine panoramic view as far as the eye can reach, dotted with towns and farm properties. New Oxford, Hanover, White Hall, Littlestown, Taneytown, Emmitsburg, Mechanicsburg, and other places are readily recognized.

## TRUMAN CENTER OF ATTRACTION AT CONVENTION

By JAMES MARLOW  
Associated Press News Analyst  
WASHINGTON, Pa. — Former President Truman, who calls himself a living politician rather than an elder statesman, is playing the political role in the grand manner but perhaps for the last time.

He's 72, retired, and still beloved by millions, and like a fire horse hearing the bell once more, he swept into Chicago Thursday for the Democratic convention which opens Monday. He was the center of attraction all day.

One reason because he was the colorful Harry Truman. Another: because he has whetted political appetites by steadfastly refusing to name the Democrat he'd like to see get the party's presidential nomination next week.

**Boosts Suspense**  
Then he boosted the suspense—and interest in himself—by announcing he'd state his preference by Sunday. Thus he maintains an appearance of political importance which may be all out of keeping with his power in the party.

He has far less influence than he did in 1952 when he was leaving the presidency and helped make Adlai Stevenson the Democratic candidate. He should have even less by the next convention in 1960, if he lives that long.

For what isn't clear is this: How much difference does it make who his preference is?

**Good Party Man**  
After this election, if Stevenson wins, he's the one who can repay delegate votes with favors, not Truman. Truman, by keeping his choice to himself until Sunday, has a chance to check the box office.

He's a good Democrat and party man. If he prefers Harriman but finds Stevenson has the nomination sewed up, Truman will probably come out for Stevenson. He wouldn't want to wreck the party's chances by sowing discontent uselessly.

Reports about Truman's liking for Harriman seem based on the idea that he thinks Stevenson is some kind of political softy and that Harriman would make a better, rip-roaring campaign.

**Harriman Political Myth**  
But one of the myths of the 1956 political year — and it's been deliberately built up by Harriman himself — is that he's a give-em-hell Democrat who has no time for Stevenson's kind of "moderation."

Harriman has lambasted the Republicans all right. That's been his strong point. But his weak point is that he has offered practically nothing as a substitute for what Stevenson stands for or as an antidote to the Republicans.

Aside from 90 per cent of party price supports for farmers and a proposal that federal funds for education be withheld from segregated public schools, he's offered practically nothing in the way of a program.

Stevenson's for 90 per cent supports too, and sees eye to eye with Harriman on handling the school segregation problem except that he wouldn't withhold federal funds for education.

Truman seems to have more fire than either Stevenson or Harriman. He's probably irked that somehow he can't get either of them to bounce up and down like he does.

## Follows Guide To \$15 Speeding Fine

PROVIDENCE, R. I. — Motorist Philip L. Billings, 23, of East Hartford, Conn., got lost yesterday.

He asked Kenneth R. Pelkey 34, of Enfield, Conn., a motorist who was halted at a traffic light, for the road to East Hartford.

"Follow me," said Pelkey. Billings did.

Both got arrested for speeding, and were fined \$15.

## BRITAIN SENDS MORE TROOPS TO MEDITERRANEAN

LONDON — Britain today went ahead with plans for a Suez Canal conference without Egypt and airlifted more troops to the Mediterranean.

President Gamal Abdel Nasser yesterday rejected the British invitation to the meeting opening here Thursday and proposed instead a broader parley of 45 maritime powers using the Suez to reaffirm freedom of shipping through the canal.

Western diplomats acknowledged the Egyptian strongman's bid would complicate the deliberations of the 22 nations scheduled to meet in London. They said it might free the western Big Three to modify their demands for international management of the canal.

**Hopes Rise**  
These sources thought Nasser's proposal—seeming to concede the need for an international guarantee that the canal would remain open—appeared to reduce the possibility of Western military action to settle the crisis created by Egypt's nationalization of the waterway.

Prime Minister Eden and his closest aides studied the Egyptian counterplan closely. The first official reaction was that the London conference would be held as planned without Egypt and Greece, the only two countries of the 24 invited to decline to attend.

In Paris, the French Foreign Ministry also made it plain that plans were going ahead for Thursday's conference.

**Giant Airlift Begins**  
A giant British airlift of troops—put off twice last week—began carrying troops to the Middle East from the south of England. It was believed most were bound for Malta and Cyprus.

Four big troopships, packed with tanks and men, already were en route to the troubled area.

Nasser announced Egypt's rejection of the London invitation in a page statement read from the speaker's rostrum in the Egyptian Parliament to 300 newsmen from all over the world.

**Denies Charges**  
He denied that Egypt's seizure of the Suez canal, operators of the canal for nearly a century, imperiled free navigation through the waterway.

"Egypt always has owned the canal," he said. "It is part of our territory. We nationalized the canal company which is an Egyptian country under Egyptian law."

Asked whether he would agree to a United Nations guarantee of freedom of navigation of the

## SALT AND SODA IS EFFECTIVE FOR BURN SHOCK

By FRANK CAREY  
WASHINGTON, Aug. 10 — The U.S. Public Health Service said Thursday tests have shown that a salt and soda solution given by mouth in large amounts is an effective emergency treatment for shock due to burns.

The treatment would be an emergency substitute for the traditional treatment for burn shock — injection into the veins of whole blood, plasma or certain plasma substitutes.

The service said shock is responsible for a high proportion of early deaths among victims of burns covering 10 per cent or more of the body.

**Simplicity Important**  
It noted that the new treatment, because of its simplicity in comparison with giving injections, "is regarded as being of particular importance in event of a major disaster," and it added:

"The ease with which the saline solution is prepared of materials available in almost every home—table salt, baking soda and tap water — also indicates that the new method may be of great aid in saving lives in those areas where skilled medical care is not promptly available, or where supplies of blood plasma, or other colloids cannot be obtained."

**Warning Issued**  
The health service said the solution used during tests might be approximated by dissolving a teaspoonful of table salt and half a teaspoonful of baking soda in a quart of drinking water.

"A burned person might require as much as six or seven quarts or more during the first 12 hours following injury," the service said, but cautioned:

"It is important however, to remember that liquids should not be given to persons who are unconscious or who cannot swallow."

**Says Comics Rule Ideals Of Youth**

HAMBURG, Pa. — Children today are getting their ideals from comic books and television not the Bible, teachers and youth leaders of eastern Pennsylvania. Seventh-Day Adventist churches were told yesterday.

Denomination Leader William Harris said the youngsters, instead of imitating the heroes of the Bible and historical literature "through no fault of their own," have substituted "funnybook and television heroes" as their ideals. He urged the audience to counteract the influences of modern-day entertainment.

A range of mountains under the Atlantic Ocean extending from the Arctic to the Antarctic is the world's largest, says the National Geographic Society.

## LABOR-ADA CALL FOR DEMOCRATIC STAND ON RIGHTS

By NORMAN WALKER

CHICAGO (AP)—Leaders of organized labor and Americans for Democratic Action demanded Saturday that the Democratic party pledge federal backing for the Supreme Court decision outlawing racial segregation in public schools.

Joseph L. Rauh Jr., Washington attorney and the ADA's national chairman, said the Democrats stand to lose as many or more independent white votes as Negro votes if the party "trims or evades on civil rights or civil liberties."

In another statement prepared for the Democratic Platform Committee, George M. Harrison, AFL-CIO vice president and chairman of the party's advisory committee representing organized labor, similarly called for federal support toward "a peaceful and effective transition to a nonsegregated American educational system."

Stronger Views  
These views presented by some of the same elements which helped stir a pitched civil rights row at the 1952 Democratic convention were the strongest stands on the issue yet presented to the

platform-framing group this time. They could upset the uneasy truce that has been maintained so far by both sides on the racial question in the interest of party harmony.

Gov. James P. Coleman of Mississippi, leader of the Dixie group seeking to avoid any platform endorsement of the Supreme Court ruling, said in advance of today's session that his forces were ready for action if necessary.

**Southerners Ready**  
He said the Southerners had seven "expert" witnesses on tap to take the stand if the committee hears "too extreme" positions from the other side.

Rauh, speaking for the ADA, seemed to quarrel with the civil rights position taken by Adlai Stevenson, front-running contender for the party's presidential nomination. Stevenson has called for "unequivocal approval" of the Supreme Court ruling, although terming it odd to have to express approval of the Constitution and its institutions. Rauh told the committee:

"Some Democratic leaders have suggested that it is unnecessary or superfluous for the party to announce its support of a Supreme Court decision," Rauh said. "That may very well be true to most Supreme Court decisions because they are automatically obeyed or accepted."

**Political Issue**  
"But it is arrant nonsense to suggest that a decision openly defied by a substantial number of states and by the leaders of the Democratic party in those states is not a political issue demanding platform resolution by the Democratic party."

Rauh said it was not Northern liberals who had made a political issue of the court's civil rights decision but "the Southern segregationists who brought it into politics

## To Ship Million Doses Of Vaccine

WASHINGTON (AP)—The government has eased export restrictions on Salk polio vaccine — now in good supply in the United States — to permit shipment of one million doses abroad by Oct. 1.

Announcing this Friday, Secretary of Commerce Weeks said that only 23,481 doses have been licensed for shipment out of the country since the vaccine was approved for license 16 months ago.

## OLYMPIC SWIM SQUAD IS BEST IN U. S. HISTORY

DETROIT (AP)—A veteran swimming official Saturday hailed the newly selected American Olympic swimming and diving squad as "the strongest all-around team we have ever had."

"Most of them are young and almost all will develop and be even better by November when the team leaves for Melbourne," said Max Ritter, U.S. vice-president of the International Swimming Federation.

The white-haired executive has been watching world-wide competition for more than 35 years. What he saw in the four-day Olympic trials which ended Friday night still had him marveling today.

American records were broken in six of 11 events, and the world record for the 200-meter butterfly was shattered twice by strong-armed Bill Yorzyk of Northampton, Mass.

In the all-day windup Friday at Detroit's Brennan Pools, 14-year-old Sylvia Ruuska, Berkeley, Calif., established herself as a real Olympic contender by breaking her one-day old mark of 5:10.7. For the 400-meter freestyle with a clocking of 5:10, and George Breen, the world's fastest 1500-meter freestyler, clocked off an 18:13.7 American outdoor mark for the metric mile.

Breen, power-stroking, 21-year-old Buffalo 6-footer, holds the world record of 18:05 for the 1500, set in an indoor pool. He, Yorzyk, and Shelley Mann, who recently surpassed the world standard for the 100-meter butterfly, and the male and female springboard and

by their open defiance and their manifesto declaring undying hostility to it."

Rauh said the Democratic platform "must, if it is to meet the needs of the time, pledge the party to meet defiance with law and to bring about integration with deliberate speed."

**Labor Advisor**  
Harrison, who is chief of the railway clerks union as well as an AFL-CIO vice president, spoke for a party labor advisory committee including fellow AFL-CIO chiefs and leaders of such large independent unions as the United Mine Workers.

Besides calling for a strong civil rights plank, Harrison's group urged that the party pledge itself to seek a \$125 hourly federal minimum wage instead of the present \$1 minimum, tax cuts for lower-income groups, bigger Social Security benefits, and federal aid to economically distressed areas.

Again calling for outright repeal of the Taft-Hartley act—a plank contained in the party's 1952 platform — the labor advisor said President Eisenhower had failed to keep a 1952 campaign promise to amend the law.

## COVER SPRAY IS INDICATED FOR APPLE ORCHARDS

The wet weather so far this year may set some new records for damage to the apple crop from disease, County Agent Frank S. Zettle warned today in calling for the seventh spray in apple orchards.

The spray, he said, "is a must for disease control. Scab is increasing rapidly on foliage and continued wet weather could enable storage scab to be the most destructive on record. Sooty fungus already is severe on unsprayed apples and the wet July makes the disease even a greater threat than last year. Black and Botrytisphaeria rots threaten to be the most destructive on record."

He also noted that "second generation codling moth larvae have been entering apples since the latter part of July. Red-banded leaf rollers are present in most orchards and this is the last chance we have to control them."

Application of the seventh cover spray is to be completed by August 18 and the spray must not be placed on early varieties that will be harvested in three to four weeks, the county agent said.

Two formulae are listed for use by the growers. The first calls for one pound of 50 per cent wettable

powder, 1 1/2 pounds of 50 per cent wettable powder DDT and one pound of a 50 per cent wettable powder TDE (Rothamite). The other formula calls for two pounds of a 75 per cent wettable powder Ferbam, 1 1/2 pounds of 50 per cent wettable powder DDT and one pound of a 50 per cent wettable powder TDE.

All quantities are for 100 gallons of dilute spray. For concentrate sprays the amounts of materials per 100 gallons of spray should be tripled. On early varieties or on apples in-terplanted with peaches, two pounds dilute (six concentrate) of a 50 per cent wettable powder methoxychlor may be used instead of the DDT to avoid a residue problem. If mites are a problem two pounds dilute (six concentrate) of Aramite-15W should be added to the spray.

## Kefauver Charges GOP "Conspiracy"

WASHINGTON (AP)—Sen. Kefauver (D-Tenn.) has charged certain present and former high officials of the Eisenhower administration with "conspiring to conceal" from Senate investigators the facts about the Dixon-Yates private power contract.

"I believe . . . it is clear that the Dixon-Yates deal involved actions on the part of public officials which should be presented to a grand jury," Kefauver said in a statement Friday. Kefauver ordered copies of his statement published in the Congressional Record and sent to Atty. Gen. Brownell.

He said the alleged "criminal" conspiracy to hide facts about the controversial contract involved refusal to give documents to the Senate Judiciary Committee task force.

Named by Kefauver in this connection were Sherman Adams, President Eisenhower's top aide; Chairman Lewis L. Strauss of the Atomic Energy Commission; former Budget Director Rowland H. Hughes; Chairman J. Sinclair Armstrong of the Securities and Exchange Commission and others.

Both are supporters of Adlai E. Stevenson for the presidential nomination.

A slow drift toward decentralized purchasing was found in a recent survey of 212 manufacturing companies.

## DON'T BELIEVE FAITH IS BAR

NEW YORK (AP)—Mayor Robert F. Wagner of New York and Sen. John F. Kennedy (D-Mass.) say they don't think their Roman Catholic faith would affect their chances as Democratic vice presidential candidates.

The two Democratic leaders, both mentioned as vice presidential possibilities, said yesterday they are not actively seeking nomination at the party's Chicago convention.

Asked about the old political maxim that a Catholic cannot be elected nationally, Wagner commented: "I think it's a myth."

On the same topic, Kennedy said: "I would hope that it would not have any effect one way or the other."

Wagner and Kennedy spoke with newsmen before leaving for Chicago.

Kennedy said he would accept the vice presidential nomination if asked. Wagner said it "would be a fine honor."

Both are supporters of Adlai E. Stevenson for the presidential nomination.

## Took Money But He Left Name, Address

FT. BRAGG, N. C. (AP)—Authorities at this paratroop training installation say that a soldier who took a large sum of money from a private's club here left an IOU, complete with signature and address.

The note, officials said, was left in the money drawer.

It read: "IOU \$517, Lewis E. Selby, 307 Eng. Bn."

Selby and a buddy from the 307th, Pfc. Ivan D. Kaufman, were picked up by police in Greensboro on a traffic violation.

Pt. Bragg was called in when a patrolman found a wad of money in the car.

Police said the two admitted taking the money and some merchandise from the club.

Australia has a new aviation fuel plant which is automation in that only three men can operate this chemical industry through a central control panel. It formerly required scores of technicians.

## 2 SEAMEN DIE IN EXPLOSION

LEWES, Del. (AP)—An explosion at sea killed two crewmen aboard the German freighter Heidelberg and critically injured six others.

The blast shook the freighter, inbound to Philadelphia from Venezuela, Friday afternoon just as the ship entered the Delaware Bay.

The dead seamen were Suerger Schwittner and Herbert Goeldener. Beebe Hospital in Lewes reported the other seamen were badly burned and in critical condition. All were German nationals.

Capt. Heinz Naumberger, master of the Heidelberg, said a piston on the ship's engine came loose and rammed into the heavy casting of the power plant. The blast wrecked the crew's quarters. A fire followed the explosion but was quickly put out.

Coast Guard authorities said an investigation would be made.

## Science Shrinks Piles New Way Without Surgery

**Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids**

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made

astounding statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dynast)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name *Preparation H*. At your druggist. Money back guarantee.

# LABOR-ADA CALL FOR DEMOCRATIC STAND ON RIGHTS

**By NORMAN WALKER**  
CHICAGO (AP)—Leaders of organized labor and Americans for Democratic Action demanded Saturday that the Democratic party pledge federal backing for the Supreme Court decision outlawing racial segregation in public schools.

Joseph L. Rauh Jr., Washington attorney and the ADA's national chairman, said the Democrats stand to lose as many or more independent white votes as Negro votes if the party "trims or evades on civil rights or civil liberties."

In another statement prepared for the Democratic Platform Committee, George M. Harrison, AFL-CIO vice president and chairman of the party's advisory committee representing organized labor, similarly called for federal support toward "a peaceful and effective transition to a nonsegregated American educational system."

**Stronger Views**  
These views presented by some of the same elements which helped stir a pitched civil rights row at the 1952 Democratic convention were the strongest stands on the issue yet presented to the

platform-framing group this time. They could upset the uneasy truce that has been maintained so far by both sides on the racial question in the interest of party harmony.

Gov. James P. Coleman of Mississippi, leader of the Dixie group seeking to avoid any platform endorsement of the Supreme Court ruling, said in advance of today's session that his forces were ready for action if necessary.

**Southerners Ready**  
He said the Southerners had seven "expert" witnesses on tap to take the stand if the committee hears "too extreme" positions from the other side.

Rauh, speaking for the ADA, seemed to quarrel with the civil rights position taken by Adlai Stevenson, front-running contender for the party's presidential nomination. Stevenson has called for "unequivocal approval" of the Supreme Court ruling, although terming it odd to have to express approval of the Constitution and its institutions. Rauh told the committee:

"Some Democratic leaders have suggested that it is unnecessary or superfluous for the party to announce its support of a Supreme Court decision," Rauh said. "That may very well be true to most Supreme Court decisions because they are automatically obeyed or accepted."

**Political Issue**  
"But it is arrant nonsense to suggest that a decision openly defied by a substantial number of states and by the leaders of the Democratic party in those states is not a political issue demanding platform resolution by the Democratic party."

Rauh said it was not Northern liberals who had made a political issue of the court's civil rights decision but "the Southern segregationists who brought it into politics

# To Ship Million Doses Of Vaccine

WASHINGTON (AP)—The government has eased export restrictions on Salk polio vaccine — now in good supply in the United States — to permit shipment of one million doses abroad by Oct. 1.

Announcing this Friday, Secretary of Commerce Weeks said that only 23,481 doses have been licensed for shipment out of the country since the vaccine was approved for license 16 months ago.

# OLYMPIC SWIM SQUAD IS BEST IN U. S. HISTORY

DETROIT (AP)—A veteran swimming official Saturday hailed the newly selected American Olympic swimming and diving squad as "the strongest all-around team we have ever had."

"Most of them are young and almost all will develop and be even better by November when the team leaves for Melbourne," said Max Ritter, U.S. vice-president of the International Swimming Federation.

The white-haired executive has been watching world-wide competition for more than 35 years. What he saw in the four-day Olympic trials which ended Friday night still had him marveling today.

American records were broken in six of 11 events, and the world record for the 200-meter butterfly was shattered twice by strong-armed Bill Yorzyk of Northampton, Mass.

In the all-day windup Friday at Detroit's Brennan Pools, 14-year-old Sylvia Ruuska, Berkeley, Calif., established herself as a real Olympic contender by breaking her one-day old mark of 5:10.7. For the 400-meter freestyle with a clocking of 5:10, and George Breen, the world's fastest 1500-meter freestyler, clicked off an 18:13.7 American outdoor mark for the metric mile.

Breen, power-stroking, 21-year-old Buffalo 6-footer, holds the world record of 18:05 for the 1500, set in an indoor pool. He, Yorzyk, and Shelley Mann, who recently surpassed the world standard for the 100-meter butterfly, and the male and female springboard and

# COVER SPRAY IS INDICATED FOR APPLE ORCHARDS

The wet weather so far this year may set some new records for damage to the apple crop from disease, County Agent Frank S. Zettle warned today in calling for the seventh spray in apple orchards.

The spray, he said, "is a must for disease control. Scab is increasing rapidly on foliage and continued wet weather could enable storage scab to be the most destructive on record. Sooty fungus already is severe on unsprayed apples and the wet July makes the disease even a greater threat than last year. Black and Botrytis rots threaten to be the most destructive on record."

He also noted that "second generation codling moth larvae have been entering apples since the latter part of July. Red-banded leaf rollers are present in most orchards and this is the last chance we have to control them."

Application of the seventh cover spray is to be completed by August 18 and the spray must not be placed on early varieties that will be harvested in three to four weeks, the county agent said.

Two formulas are listed for use by the growers. The first calls for one pound of 50 per cent wettable

# Kefauver Charges GOP "Conspiracy"

WASHINGTON (AP)—Sen. Kefauver (D-Tenn.) has charged certain present and former high officials of the Eisenhower administration with "conspiring to conceal" from Senate investigators the facts about the Dixon-Yates private power contract.

"I believe . . . it is clear that the Dixon-Yates deal involved actions on the part of public officials which should be presented to a grand jury," Kefauver said in a statement Friday. Kefauver ordered copies of his statement published in the Congressional Record and sent to Atty. Gen. Brownell.

He said the alleged "criminal" conspiracy to hide facts about the controversial contract involved refusal to give documents to his Senate Judiciary Committee task force.

Named by Kefauver in this connection were Sherman Adams, President Eisenhower's top aide; Chairman Lewis L. Strauss of the Atomic Energy Commission; former Budget Director Rowland H. Hughes; Chairman J. Sinclair Armstrong of the Securities and Exchange Commission and others.

# DON'T BELIEVE FAITH IS BAR

NEW YORK (AP)—Mayor Robert F. Wagner of New York and Sen. John F. Kennedy (D-Mass.) say they don't think their Roman Catholic faith would affect their chances as Democratic vice presidential candidates.

The two Democratic leaders, both mentioned as vice presidential possibilities, said yesterday they are not actively seeking nomination at the party's Chicago convention.

Asked about the old political maxim that a Catholic cannot be elected nationally, Wagner commented: "I think it's a myth."

On the same topic, Kennedy said: "I would hope that it would not have any effect one way or the other."

Wagner and Kennedy spoke with newsmen before leaving for Chicago.

Kennedy said he would accept the vice presidential nomination if asked. Wagner said it "would be a fine honor."

Both are supporters of Adlai E. Stevenson for the presidential nomination.

# Took Money But He Left Name, Address

FT. BRAGG, N. C. (AP)—Authorities at this paratroop training installation say that a soldier who took a large sum of money from a private's club here left an IOU, complete with signature and address.

The note, officials said, was left in the money drawer.

It read: "IOU \$517. Lewis E. Selby, 307 Eng. Bn."

Selby and a buddy from the 307th, Pfc. Ivan D. Kaufman, were picked up by police in Greensboro on a traffic violation. Ft. Bragg was called in when a patrolman found a wad of money in the car.

Police said the two admitted taking the money and some merchandise from the club.

Australia has a new aviation fuel plant which is automation in that only three men can operate this chemical industry through a central control panel. It formerly required scores of technicians.

# 2 SEAMEN DIE IN EXPLOSION

LEWES, Del. (AP)—An explosion at sea killed two crewmen aboard the German freighter Heidberg and critically injured six others.

The blast shook the freighter, inbound to Philadelphia from Venezuela, Friday afternoon just as the ship entered the Delaware Bay.

The dead seamen were Suergen Schwittner and Herbert Goeldner. Beebe Hospital in Lewes reported the other seamen were badly burned and in critical condition. All were German nationals.

Capt. Heinz Nauersberger, master of the Heidberg, said a piston on the ship's engine came loose and rammed into the heavy casting of the power plant. The blast wrecked the crew's quarters. A fire followed the explosion but was quickly put out.

Coast Guard authorities said an investigation would be made.

# Science Shrinks Piles New Way Without Surgery

**Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids**

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne)—discovery of a world-famous research institute.

This substance is now available in suppository or ointment form under the name Preparation H. At your druggist. Money back guaranteed.

"Bio-Dyne" is a registered trademark of the U. S. Pat. Off.

**1956 NOTICE CONCERNING 1956-1957 HUNTING RULES AND REGULATIONS**  
FIXING OPEN SEASONS, BAG AND POSSESSION LIMITS, SHOOTING HOURS, AND OTHER RESTRICTIONS

Notice is hereby given pursuant to Section 365 of the Game Law, being the Act of June 3, 1937, P. L. 1253 as amended, the Pennsylvania Game Commission does hereby publish a summary form of the action taken by said Commission, and rules and regulations adopted relative thereto at its meeting held July 10, 1956, concerning the fixing of open seasons, bag and possession limits, shooting hours, and other restrictions for various species of game and furbearers, during the period from September 1, 1956 to August 31, 1957, including exceptions set forth, as follows:

Open season includes first and last dates listed. Seasonary exceptions, for game. The opening hour for small game and other wild birds or animals on October 23 will be 9:00 A.M. On other opening days, and otherwise during the season for upland and bird game, the shooting hours daily are from 7:00 A.M. to 5:00 P.M., excepting from July 1 to September 30 inclusive, 6:00 A.M. to 7:00 P.M. and on the last day of the season, which are 6:00 A.M. to 5:00 P.M. (All shooting hours based on Eastern Standard Time. The above shooting hours do not apply to migratory game.)

by their open defiance and their manifesto declaring undying hostility to it."

Rauh said the Democratic platform "must, if it is to meet the needs of the time, pledge the party to meet defiance with law and to bring about integration with deliberate speed."

**Labor Advisor**  
Harrison, who is chief of the railway clerks union as well as an AFL-CIO vice president, spoke for a party labor advisory committee including fellow AFL-CIO chiefs and leaders of such large independent unions as the United Mine Workers.

Besides calling for a strong civil rights plank, Harrison's group urged that the party pledge itself to seek a \$1.25 hourly federal minimum wage instead of the present \$1 minimum, tax cuts for lower-income groups, bigger Social Security benefits, and federal aid to economically distressed areas.

Again calling for outright repeal of the Taft-Hartley act—a plank contained in the party's 1952 platform — the labor advisor said President Eisenhower had failed to keep a 1952 campaign promise to amend the law.

## SIMILAR VIEWS MARK OUTLOOK OF CANDIDATES

By JAMES MARLOW  
Associated Press News Analyst  
CHICAGO (AP)—The great illusion at the Democratic convention is that there is a big difference between Adlai Stevenson and Gov. Harriman on national issues. There isn't. On most they look like twins.

Harriman himself has helped create this illusion by denouncing the "moderation" of Stevenson and of President Eisenhower too. He has done this for one of two reasons:

1. He thinks there is a difference or 2. he thinks it necessary to make himself sound like a political hot-rod in order to win the Democratic nomination and then the presidential election.

The best way to judge Stevenson and Harriman — on any differences or similarities between them — is on where they stand on the issues. Under that kind of examination they look alike:

Civil rights — Both are for a careful, gradual carrying out of the Supreme Court's ban on public school segregation. Both say

that they would not use troops or guns. Both proposed a party platform plank backing the court.

Would Withhold Aid  
Harriman would go one step further than Stevenson: he'd withhold federal aid to segregated schools. Stevenson wouldn't.

Natural resources and power development — Both — and this is a standard Democratic cry — accuse the Eisenhower administration of a "giveaway" of natural resources. Both favor public development of water power and natural resources.

Labor — Both favor changes in the Taft-Hartley Labor Act and both are critical of the right-to-work laws — in some states — which forbid union shops.

Foreign Policy

Foreign policy — Both favor sizable economic aid to foreign countries. Stevenson suggests the United States and Russia join in giving economic help through the United Nations instead of separately as now. Harriman suggests a new international agency to do the job with the United States and Russia as members.

Both, of course, were highly critical of the Eisenhower administration's handling of foreign affairs.

Immigration — Both would make changes in the McCarran-Walter Immigration Act of 1952 to permit more people to enter this country.

Farm problems — Both favor

90 per cent of parity support prices and the soil bank plan. Harriman would additionally go along with a food stamp plan for needy families, a world conference on food resources. Both favor liberal farm credit.

Health and medical care — Both back away from the idea of a federal health insurance program. They talked of government help for private insurance plans.

Taxes — Stevenson is against a general tax reduction — if there is a budget surplus — until consideration is given to using the surplus to reduce the public debt and to national needs like housing and schools and lower taxes for low-income families.

A careful check with Harriman's office here turned up no evidence he has had anything to say about national tax problems.

Housing — Harriman's office here could produce nothing from its files to show he had any plans on housing. Stevenson talked of housing problems in pretty general terms.

## TEN KILLED ON STATE HIGHWAYS

By THE ASSOCIATED PRESS  
Fourteen persons died in accidents in Pennsylvania during the weekend, 10 on the state's highways.

Two motor vehicle accidents took two lives each. The non-highway deaths resulted from two separate explosions, a sawmill accident and a drowning.

A head-on collision on Rt. 96 near Hyndman yesterday killed Carol Ann Kendall, 17, and Barbara Clark, 4, both of near Hyndman.

At Montgomeryville, near Philadelphia, a car crashed into a tree killing Peter Marconis, 35, of Gwynedd, and his 14-year-old niece, Norren Driscoll, of Lantana, Mass.

The lone drowning occurred near Morrisville. Jose Cortes, 36, of Trenton, N. J., told police that he was trying to rescue his nephew, Fleutherio Reyes, 21, also of Trenton from the Delaware River, when Reyes panicked and they both submerged. Cortes said he freed himself and swam to shore but Reyes couldn't follow.

## W. E. GENTZLER,

(Continued from Page 1)  
was appointed instructor in math-  
ematics in University Extension.  
The following year he served as  
assistant in mathematics giving  
instruction in Columbia College. In  
1928, he was appointed assistant to  
the director of University Extension,  
and in 1930 was named director of  
the Placement Office. From 1935  
to 1949 Mr. Gentzler was Columbia  
bursar, serving as the campus repre-  
sentative of the University's down-  
town treasurer's office. He was  
named business manager of the  
University in 1949 and assistant  
provost a year later. During World  
War II he was a member of the  
Columbia Committee on War  
Research, and currently is acting  
chairman of the committee on  
Government-Aided Research.

On Board Of Trustees  
The new executive vice president  
is active in a number of fields. He  
is a trustee of Gettysburg College,  
and has also been a trustee of  
Knickerbocker Hospital since 1937,  
serving as treasurer in 1945-47 and  
president in 1948-50. He is a director  
of the Board of Pensions of the  
United Lutheran Church in America  
as well as a member of the board's  
executive committee. He is also a  
director of the Associated Hospital  
Service (Blue Cross) of New York,  
and the Manhattanville Community  
Centers, Inc.

In 1945 Mr. Gentzler served as  
president of the Eastern Association  
of College and University Business  
Officers. Previously, in 1943, he  
was vice president of the associa-

tion. In 1946-48, he served on the  
editorial board of College and  
University magazine. His other  
memberships include the Mathe-  
matical Association of America, Phi  
Delta Theta fraternity, Kappa Phi  
Kappa fraternity and Phi Beta  
Kappa. He resides at 203 Chadwick  
Road, Teaneck, N. J.  
In his new post, Mr. Gentzler will  
have offices at 2 Park Avenue, the  
midtown office of the Empire City  
Savings Bank.
